## MUDDY BUDDIES

These youngsters had a filthy good time improving on each others special blend of mud yesterday at the day care centre. Gazette photographer, Al Popil, shot the photo from inside the building, safe from any of the little mudslingers.

## New procedure for budget recommended

Up to this time, St. Albert's procedures for drawing up a budget have been loosely defined. However, at its committee of the whole meeting Monday night, committee members moved to recommend that a formalized system be set out, establishing these procedures. The process chosen was recommended by Ald. Barry Breadner, who had looked into the matter. He said his proposal combines elements from the Program Planning method and Zero Based Budgeting. Mr. Breadner's research was centered on a report prepared for the Federation of Canadian Municipalities and the Ministry of State for Urban Affairs.

In presenting his recommendation, Ald. Breadner said he thought the

system would keep the lines of communication between staff and council open and would eliminate public debate in the early stages of the budget procedure.

Under the terms of Ald. Breadner's plan, the city

staff will prepare a complete draft budget. This will be presented in camera to the budget committee with a staff analysis. The budget committee will then review the draft. When the com-

Please Turn to Page A2

## Emergency number priced out of reach

The question of a 911 emergency number came up at council's committee of the whole Monday night, but disapproval was expressed at the cost of instituting such a service.

The discussion arose from a letter from the local chapter of Beta Sigma Phi, which recently donated funds to the

emergency service. Mrs. Bernice White said in her letter that the need for an emergency number warranted the expense.

However, after perusing the estimated costs of the service, council disagreed regretfully. The cost of such number would run at about

Please Turn to Page A2

## Chamber hears candidates

REG PETCH  
[Social Credit]

Sixty St. Albert and District Chamber of Commerce members turned out yesterday to hear the four provincial candidates tell them what they would do for this constituency if elected.

Each candidate addressed the gathering before the floor was opened to questioning. The loudest applause during this segment went to Liberal candidate Gerry Thibault who hit on the free enterprise theme. However the questioning was directed mainly

to PC candidate Myrna Fyfe.

NDP candidate Bob Borreson spoke first and accented Provincial Government arrogance and insensitivity. He also pointed out that the NDP had been first with a revenue sharing scheme and that the other parties had borrowed the idea. He said that the PC's should not be "let off the hook" for throwing money around at election time and that a four year program not a four week session of handouts was necessary to responsible government.

Education and transportation for the handicapped were priorities of his party along with encouragements for small business, the cutting off of tax relief, and low interest loans to multi-nationals, quality Day Care programs, public transportation, landbanking, subsidized mortgages and a first class road system for the constituency funded by the province.

Candidate Thibault stressed that he and his party stood for free enterprise. He didn't condone the Province entering the private sector nor did he condone the PC "handouts" which he termed a "Santa Claus show." He said the aim of the Alberta Liberal Party was to provide the opportunities to "help Albertans help themselves." He used the province's purchase of PWA as an example of government intrusion into the private sector and said a Liberal government would divest itself of the company by selling it back to private interests - if it wasn't so overburdened with bureaucrats that no efficiently run company would want it. He said the announced PWA

GERRY THIBEAULT  
[Liberal]

application to fly into Lethbridge where it would be competing with an Alberta based private company, Time Air, was an example of the principle he was referring too - "creeping socialism."

Two priorities emphasized by the Liberal candidate were education and health care.

Educational problems are in the main associated with insufficient funding, he said. Please Turn to Page A 6

MYRNA FYFE  
[Conservative]

BOB BORRESON  
[NDP]

## Advance poll doubles

For most of this election campaign apathy has been touted as a major obstacle to be hurdled by candidates. If the turnout at St. Albert constituency advance polls is any indication, the apathy seems to have dissipated. Three hundred and sixteen members of the electorate registered their choices last week up from 131 in 1975. (316 represents 1.17% of those eligible to vote this year while 131 represents .57% of the 1975 eligible voters).

According to a University of Calgary political scientist a heavy turnout at the advance polls usually indicates a shift in voters' party preference - good news for all but provincial PC candidates. On

the other hand, it is also possible the increased turnout includes PCs quite aware of what could be in store for the party in power if apathy did take hold.

### IRISH SPRING

Aye, it's St. Patrick's Day Saturday and what better way to celebrate than to do a wee bit of dance. And the luck o' the Irish was with John Brady who had two lovely lasses on either side by the name of Siobhan O'Connor (left) and Lana Thompson. The threesome are part of Cumerford's School of Irish Dancing in St. Albert.

## budget

Continued From Page A-1  
mittee has revised the draft, it will be presented to the committee of the whole with a complete analysis regarding programs and the mill rate. The committee of the whole can accept members' motions to amend the revised draft and either pass or defeat it. The amended revised draft can then be left for a two-week period to allow any public concerns to be expressed. Following this cooling-off period, council will adopt the final budget, with or without further am-

endment.

Ald. Liesbeth Bakker objected to the fact that budget committee meetings are to be held in camera. However, Ald. Rod Thronson said he approved of this, as in camera meetings in the early stages would allow the committee to exchange information on a less formal basis. Ald. Shields, Smith and Mayor Harvey concurred.

The clarification of budget procedures resulted from a request for information by Ald. Bakker, who had asked whether budget committee meetings were open or closed.

## number

Continued From Page A-1  
\$30,000 per year, which includes an annual operator's salary of \$12,831, monthly rental of \$500 - \$1,000 and other extra costs, such as part-time or substitute operators. Added to the expense is the fact the AGT rate is expected to increase by one-third.

After discussing the matter members of council decided to provide stickers to put on their telephones. The stickers will bear the three emergency numbers.

Ald. Margaret Smith stated she felt the AGT rental fee was excessive and said she thought that a special rate could be established for municipalities wishing to have such a number.

## THE CITY OF St. Albert

### Relocation of City Departments

Effective Friday, March 16, 1979, the following City Departments will relocate to:

SECOND FLOOR,  
MISSION RIDGE SHOPPING CENTRE  
86 McKENNEY AVENUE

#### CITY ASSESSOR'S DEPARTMENT

- Assessment Enquiries
- Assessment Roll Inspection

#### COMMUNITY SERVICES DEPARTMENT

- Registration and Programme Information
- Senior Citizen Enquiries
- Teen Enquiries
- Facility Booking

#### CITY ENGINEER'S DEPARTMENT

- Transit Enquiries
- Requests for Building Inspections
- Gas Fitting Permits
- Plumbing Permits

Business Hours: Monday to Friday - 8 a.m. to 5 p.m.  
Telephone: 459-6601.

### HAPPY 90

Mrs. John Williams celebrated her 90th birthday at the Youville Home Friday, and what better way is there to celebrate the occasion than with three birthday cakes.

## Conflict of interest policies questioned

The Community Services Advisory Board made its regular presentation to council's committee of the whole Monday night, and board representative Gerry Jaycocks had conflict of interest policy on his mind.

Mr. Jaycocks said the board wanted to know if the council's policies on conflict of interest extended to volunteer boards or whether there were other standards applicable. The board members had been discussing the issue of members doing business with the city, and what limits should be put on such transactions to avoid conflict. Members were also interested in conflict arising from the business interests of a member's husband or wife.

"We realize we have to be like Caesar's wife," remarked Mr. Jaycocks. Mr. Jaycocks also wished to know where responsibility for deciding conflict of interest policies for volunteer boards lay, with the council or with the board.

In response, members of council said there was presently no such policy in

regard to volunteer boards, but one guideline was mentioned.

"It's a position of trust," commented Ald. Bill Shields. "I would think the same rules apply as do to council in matters of pecuniary interest." It was emphasized that conflict of interest did not mean a resignation was required. It merely indicates the person in question can't vote on related issues.

It was decided that council would look into the matter of conflict of interest policy for volunteer boards.

## Pro-lifers meet

There will be a general meeting of Edmonton Pro-Life at 2 p.m. on Sunday, March 18 in the Music Room of the Edmonton Public Library (main branch). Speaker will be Alphonse de Valk. All interested people are welcome. Phone 436-1419 for further information.

## Very interesting

Trying to discern how the federal government arrives at its schedule of priorities is enough to boggle the mind. We are told there is no money for any number of useful endeavours, such as the arts, which have been devastated by budget cuts. After all, the inference is that the arts are a frill, to be savoured during prosperity and ditched during hard times. The fact that the arts are doubly needed in time of stress doesn't seem to interfere at all with bureaucratic theorizing.

With this injustice in mind, it was with great incredulity that we examined the contents of a parcel sent to the Gazette from the Metric Commission. The commission, in all its wisdom has apparently decided that all the newspapers in Canada simply cannot live without a metric measuring cup, metric measuring spoons, and a centigrade temperature gauge for installation in

the oven. Needless to say, we were thrilled. It's exactly what we needed for all the gourmet meals we whip up between editions.

The money expended in this particular lunacy could probably keep Theatre 3 operational for a week!

## Around Town

The current issue of the St. Albert Legion's newsletter carries the following comment:

"The cemetery issue is a hot one at the present time. The committee of Ole Kendel and Rudy Schriber assisted by the present M.L.A. Ernie Jamison have acquired six acres of land for the price of \$1.00 to be turned over to the City of St. Albert for use as a

cemetery. The Legion would get two acres for use as a Field of Honour. The council is at present in its usual decisive manner shunting the proposal round the committee circuit. Maybe they are trying to split the price of a dollar between the taxpayers. If that sounds like a political statement to anyone -- so be it -- it also happens to be a statement of fact.

## A dangerous situation

A Lacombe Park resident is frustrated by what she considers a serious situation, caused by the lack of any provision for parking at the Kinsmen-RCMP Lacombe Community Centre.

"I just don't understand how town hall could allow a public building located off a major thoroughfare like Larose Drive to be built without parking facilities," she said, adding that the building went up four years ago.

For three mornings a nursery school meeting downstairs in the centre and for five mornings upstairs. It

is also used by Parks and Recreation and people are coming and going both in the daytime and evenings.

The only place to park is on either side of Larose Drive. "When snow is being cleared it's a real mess," said the caller, "and recently a school bus got stuck trying to avoid the cars on each side, it was hung up in the snow piled in the centre by snow-clearing equipment."

"This is a dangerous situation and somebody is going to be killed," said the resident, who takes her child to nursery school classes in

the centre. "It is also a nuisance for nearby residents, who will often come out and ask drivers not to block their driveways."

"I just don't understand why this was allowed to happen," said the resident. "Town Hall gets really tough with businessmen on parking requirements."

She did call City Hall about her concern, and after being shifted through several departments was told that an effort will be made to get something done. Parking for the centre has not been in our budget for the past three years, she was informed.

## 'Sandy' Sutherland dead at 56 years

On March 4, 1979 Mr. John Murray Sutherland (Sandy) of 56 Grandora Crescent, passed away at the age of 56 years.

He is survived by his loving wife Yvonne, three daughters: Mrs. Geoff (Sharyn) Atkins of St. Albert, Sandra of St. Albert, and Donna of Edmonton, two grandchildren Shannon and Damien Atkins, his mother, Mrs. Clara Sutherland of Edmonton, two brothers Les and Colin of Edmonton, three sisters, Mrs. Percy (Marian) Norton of Lake Cowichan, B.C., Mrs. John (Laura) Farr of Winnipeg, Manitoba and Mrs. Gary (Velva) Garrison of Prince Albert, Saskatchewan, numerous nieces and nephews, aunts and uncles.

Murray was born at Loreburn, Saskatchewan February 11, 1923 and attended elementary school there, moving with his family to Crystal City, Manitoba in 1937 where he took his high school.

He enlisted in the RCAF August 6, 1941, going to Manning Depot at Brandon, elementary flying at Virden, Manitoba, and receiving his wings at Saskatoon, Saskatchewan. Prior to going

JOHN M. SUTHERLAND

overseas, he was a Staff Pilot at Bombing and Gunnery School at Dafoe, Saskatchewan. He flew Spitfires and joined 412 squadron at Heesch in Holland. After V-E Day he volunteered for service in the Japanese theatre, returning home in September, 1945. Due to the cessation of hostilities he received his discharge in November, 1945.

Murray farmed with his father and brother for a short time. He married Yvonne McGill of Hartney, Manitoba in 1946 and worked for Federated Co-op and Strathclair Co-op from 1946-51

rejoining the RCAF in 1951, taking a refresher course at Trenton, Ontario and being based at Gimli, Manitoba, Moose Jaw, Saskatchewan; Bagotville, P.Q., Zweibrücken, Germany and St. Margarets, N.B., Moisie P.Q., Rivers and Portage La Prairie, Manitoba and Edmonton, Alberta. He retired January 26, 1971 after 25 years service. Since that time, Murray was employed by Transport Canada at the International Airport.

Funeral services were held Wednesday, March 7 at Foster and McGarvey Funeral Chapel. Reverend Leonard Musto officiated with members of Royal Canadian Legion Branch 271 St. Albert assisting.

Cremation was at Foster and McGarvey Crematorium.

## Dictatorship by planners?

In the aftermath of Proposition 13 in the United States, when masses of people revolted against the notion that government should have the power to confiscate through taxation any proportion of individual's income which they decide is necessary; and that they should be allowed to mortgage the future of citizens by any level of borrowing; the thought arises: Will citizens someday revolt against the dictatorship of planners?

They very well might. Because in North America the right to own property is deeply entrenched in the minds and conscious of the people, carrying with it the freedom to use one's property as one sees fit. The individual must work hard and invest wisely to acquire property, and the yearning for land of their own brought many of our forefathers to this continent.

In the early fifties municipalities and the Social Credit government saw a need for broad overall planning and regional planning commissions began to spring up. They concerned themselves with major issues and were fairly flexible. This worked reasonably well until the rapid escalation in growth in the early seventies. To cope with problems caused by this unprecedented growth in all the major centres, regional, commissions, municipal and provincial government turned to planners for the answers. Give us studies, reports, advice they cried, so we can make decisions. The planners obliged at heaven knows what costs.

Now homeowners, farmers and businesses cannot make a decision on any improvements or building on their property without running into a maze of regulations and costly delays. Permits may soon be needed to sneeze.

Elected people can postpone their decisions by referring them to staff - or blame a bad decision on planners. More and more inspectors are needed to enforce the planning regulations.

A farmer needs a planner's permission to let his son build on his land.

It is fortunate that there is an avenue of appeal, but the costs in time and money involved in the hundreds of appeals against planning decisions are enormous.

There are two other aspects of the increased

volume of planning regulations that are worrisome.

The temptation for elected people and planners to bend the regulations for a friend or supporter is ever present. Sometimes it isn't the merit of the case, but who you know that gets results.

And there is an ever-present temptation on the part of the individual or firm seeking a subdivision or other development to offer an under-the-table bonus for approval of a plan - plus the temptation for the planning officials to accept kick-backs.

Planning regulations should be reduced to an absolute minimum. (Remember the City of Houston, Texas, operates successfully with no zoning bylaws!)

Planners are not all experts, despite their training and degrees. They must also take the blame for poor planning which has in so many cities seen the historical character of a neighbourhood destroyed in favour of concrete and glass towers which have given all our cities an uninspiring sameness. At the same time superb planners have given us some excellently designed neighbourhoods.

Planning regulations should be reduced to an absolute minimum, and imaginative, practical planning should be encouraged by educators in the field and municipalities alike.

## Swapping slogans

Close scrutiny of recent City of St. Albert advertisements reveals something has been added. Included with the usual logo is a slogan which establishes St. Albert as "the other city." As Mork would say, "Oh, wow, deja vu!". And he'd be right, because the slogan bears a striking resemblance to that of Goodrich Tire, "the other tire company." One might even say our slogan is a retread ...

St. Albert need not be embarrassed at this pilferage, however. It is in good company when

it co-opts a catch phrase. The NDP unwittingly borrowed "Let's Send Them a Message," from, of all people, George Wallace. The Tories stuck to the paths of righteousness and adopted "Now More Than Ever" from Tricky Dicky Nixon.

The possibilities for plagiarism would appear to be limitless. Pierre Trudeau might say "Give me gliberty or give me death!" He could also adjust his slogan to reflect the devalued dollar. Perhaps this would be best expressed in a paraphrase of Henry 1V, because on the

strength of our dollar, all he could promise would be "a cornish hen in every pot." (Hoover never did make the infamous chicken quote attributed to him). Joe Clark could get in on the act with a paraphrase of "Maitres Chez Nous," Jean Lesage's battle cry. In Joe's case "Maitres Chez Who?" might do the trick!

It's only appropriate the various parties from all parts of the spectrum should be swapping slogans. After all, they seem to be swapping policies!

### St. Albert Parish Kindergarten Registration

Registration for the 1979-80 term will take place from March 15 to April 6, 1979.

The Registration Fee is \$5.00.

Registration forms and an information letter are available at the St. Albert Public Library or the St. Albert Public School District No. 3 office, at #6 St. Vital Avenue, St. Albert.

Children being registered MUST be five years of age before March 1, 1980, without exception.

Registrations are accepted on a first-come, first-serve basis.

### Rangers breakfast goes to the dogs

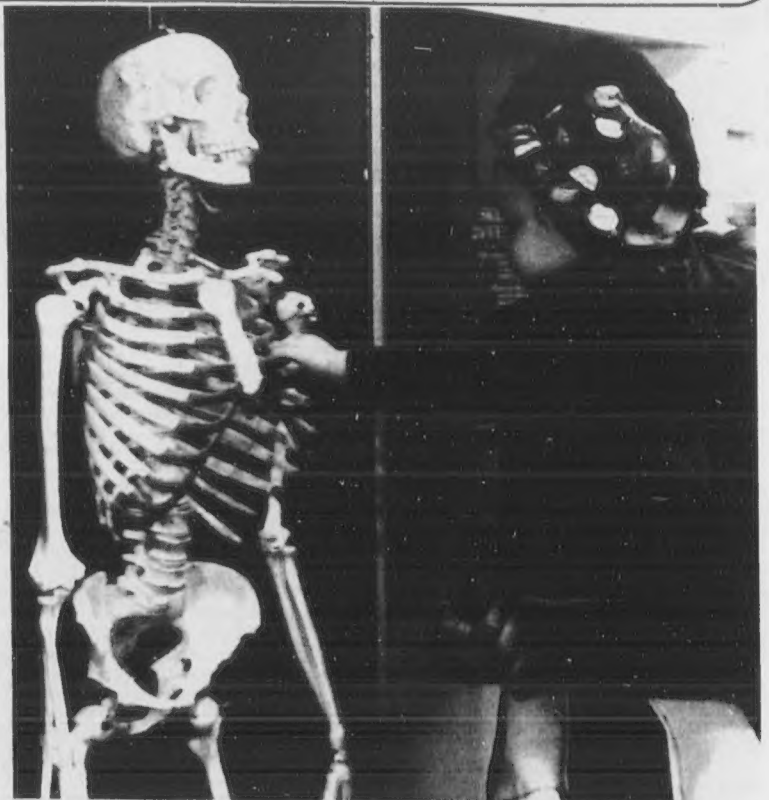

Frozen scrambled eggs were a new experiment for the St. Albert Rangers as they tobogganed their camping supplies into a wilderness site near Elk Island Park on the first warm weekend in March.

But the girls, the "seniors" in Girl Guides, didn't get a taste of the eggs to know whether it was a good idea or not. Two black labrador pups from a neighboring farm found their camp in the bush ... and the eggs too.

Bernedette Bolton, Laura McLachlan and Amylee Milke had to settle for toast and butter which wasn't raided. Maybe it served them right for sharing their chili with the dogs the first night out, when the dogs appeared.

The girls and others in their group are planning to take a Scouting course, "Go Lightly," on lightweight camping this spring to improve their skills, and "luck."

They would welcome more members. Girls 15 years and older who are interested can phone Amylee at 459-5976.

### MUST BE ONE OF THOSE CRASH DIETS

Tickling the ribs of a skeleton won't induce it to laugh, but it does delight children. At the Ontario Science Centre's "Science Circus," dozens of exhibits invite children to explore by touching, turning, poking, and peering at the world of science. The Circus is travelling to nine Canadian cities during International Year of the Child, and it will be in St. Albert, May 25 till June 2. The Science Circus will kick off St. Albert's Cultural Festival in connection with the Alberta Summer Games, to be held here in August.

## PRAISE FOR PUBLIC WORKS

We have such terrific people living and working in St. Albert that it's really no wonder that I have dearly loved living here since 1960. For example, I would publicly like to thank the St. Albert Department of Public Works for the help they gave me on February 20.

I had placed two \$150 downfilled sleeping bags and one \$75 downfilled ski jacket in a green plastic garbage bag to be taken to the dry cleaners. The children helpfully brought all garbage to the curb - thinking that the dry cleaning was garbage as well. By the time I realized what had happened it was too late, the garbage truck had come and gone.

I placed a call to the secretaries at the Department of Public Works, Phyllis Holmes and Sharon Cairns, who radioed the garbage truck. The fellows staffing the truck asked Consolidated Concrete at the landfill site for permission to dump in an isolated area, so they could search for my rather expensive "garbage." Permission was granted and after everybody looked through mounds of garbage, my property was finally located by Clem Kusinskes, the gentlemen who drives the cat at the site. He drove out to St. Albert and brought my property to the offices of the Department of Public Works.

Thanks to the office staff and drivers of the Department of Public Works and Clem at Consolidated Concrete, I was rescued from a terrible situation. You see, the sleeping bags and jacket belonged to my son-in-law and daughter who are both foresters and needed their stuff. The saga ended on a happy note thanks to you.

Grandin Park

## OLD TIMERS TAKE NOTE

Having been raised and lived in Morinville for a number of years before moving to Vancouver, I would like to see more personal articles such as people visiting and going on holidays from the Morinville area.

My family lives in the area but I don't see too much in the Gazette of old timers or families and friends visiting Morinville. How about it?

I miss Morinville and I'd like to read about friends and relatives.

Mrs. Johnson  
Vancouver, B.C.

**EDITOR'S NOTE:** If any of you "Old Timers" would like to submit items as suggested by Mrs. Johnson, feel free to contact our Morinville correspondent, Marg Yacysen at 939-3047.

## EQUIPMENT MONEY

President Len Jones (left) of the Royal Canadian Legion Branch 271 presents a cheque in the amount of \$100 to Del Larsen of the St. Albert Boxing Club. The money is to be used to purchase boxing equipment. The Boxing Club recently had almost all of its equipment stolen.

## LAYING DOWN ON THE JOB

Two tow trucks and an hour later this truck was righted after a minor mishap at the new shopping centre job sight. The driver escaped injury with the truck sustaining minor damage.

## Guide describes Ottawa trip

Having recently returned for the Helen Gurd Citizenship Project in Ottawa, Alida vanEssen made a slide presentation to 3rd St. Albert Guide Company and their invited guests, at the annual chili supper on February 27. These events both coincided with Guide-Scout Week in Canada.

Alida was selected as one of two Guides to represent Alberta during an eventful week in Ottawa. She and the 25 other Guides, Rangers and Cadets from across Canada spent many hours attending question periods and debates in the House of Commons and the Senate. The girls were presented to Prime Minister Trudeau, Senator Josie Quart, Mme. Monique Begin and Miss Flora McDonald.

Alida was asked by Mayor Harvey's office to carry

greetings of goodwill from the City of St. Albert in the form of an engraved tray and letter. This was gratefully accepted by Mayor Marian Dewar on behalf of the City of Ottawa and the Council Members.

Mr. Peter Elzinga, MP for Pembina, held a private interview with Alida, after which they had lunch at the Parliament Buildings.

The participants were also treated to tours of the Canadian Mint, the RCMP Training Centre and the home of Gov.-Gen. Edward Schreyer.

This project, sponsored through the Girl Guides of Canada, was very successful and it is anticipated that in the future, more girls will have an opportunity for the same wonderful experiences shared by the 1979 delegates.

## Runners: Take note!

The Alberta Track and Field Association is pleased to announce a Distance Running Clinic to be held March 16 - 18 at the Chateau Lacombe in Edmonton. Guest clinician will be Peter Snell O.B.E., a triple Olympic gold medallist for New Zealand at the 1960 and 1964 Games.

Anyone interested in distance running is welcome to attend. The cost of \$10 for the weekend sessions in-

cludes lunch on Sunday.

Sessions and workshops will be conducted by Mr. Snell and other experts in the field of distance running. The clinic begins with registration and a reception on Friday evening at 8:30 p.m. The instruction gets underway at 9 a.m. on both Saturday and Sunday.

For more information, please contact the Alberta Track and Field Association office at 458-8688.

THE CITY OF

# St. Albert

## St. Albert Public Library Board

Interested citizens are invited to apply for appointment to a vacancy which has occurred on the St. Albert Public Library Board, for the term ending October 31, 1980.

The Library Board meets on the third Tuesday evening of each month.

Applications in writing outlining a brief resume of experience will be received by the City Clerk prior to 12 noon, Friday, March 23, 1979 at City Hall, St. Albert, Alberta T8N 3A3.

Further information may be obtained by telephoning 459-6601 (ext. 58).

Fiona Daniel  
City Clerk

## The Gazette BILLBOARD

WEDNESDAY, MARCH 14 - Sir George Simpson Science Fair from 7 p.m. to 8:30 p.m.

WEDNESDAY, MARCH 28 - 1:30 p.m. Dr. Gerald and Mrs. Alison Hankins will be at the St. Albert United Church to speak about their work in Nepal. Dr. Hankins was the surgeon at the Shanta Bhawan Hospital in Katmandu for four years until they returned home to Calgary last summer on furlough. Everyone is welcome to attend.

WEDNESDAY, MARCH 28 - Annual Book Fair to be held at Sir George Simpson Junior High School Sunday, March 11 from 2 to 5 p.m. and Monday, March 12 from 1:30 to 8 p.m. Thousands of new and used books in all categories and for all ages at very affordable prices.

FRIDAY, MARCH 30 - Regular monthly meeting of the Senior Citizen Club. The meeting will be held in the Senior Citizen Centre (north of the curling rink) on Friday, March 30 starting at 1:30 p.m. All Seniors are welcome to attend.

SATURDAY, MARCH 31 - The Next-To-New Sale will be held in the Senior Citizens Centre on Saturday, March 31 from 1 to 3 p.m.

## chamber hears candidates

Continued From Page A-1  
the boards were quite capable of handling the problems if the funding was adequate.

He pointed out that only 13 percent of each dollar going to Alberta Health Care went to the doctors while the rest went to a huge administrative set-up. Setting fees for doctors, is not an answer but would be an encroachment on the free enterprise system.

Social Credit candidate Reg Petch stressed transportation, education, tax reduction and the support of small business and agriculture. He said the party was not tying its candidates to 'the party line' but allowing the freedom necessary to get "back to the people" and put the "constituency first." The Social Credit is a party of "free thinkers."

PC arrogance also bothered candidate Petch who felt the government had too much power. "The government thinks it knows more about the needs of the people than the people themselves." He said he would work with local governments and help them achieve their goals.

In transportation the approach would be concentrated on public transit and the reduction of passenger car traffic. He borrowed the PC slogan in referring to educa-

tion "Now, more than ever education must be made a priority."

He told listeners that if elected he would work full time as MLA, "24 hours a day, seven days a week if need be."

Last to speak was PC candidate Myrna Fyfe. She reminded the audience that the Alberta economy under PC leadership was the strongest in Canada while the unemployment rate was the lowest. One-third of the jobs in Alberta were directly or indirectly linked to the oil and gas industry. Income per capita had moved from third highest in the land to highest. The Alberta Opportunity Company had made over 1,000 loans to help business and would in the future become a self-sustaining company.

One point made by Candidate Fyfe was tailor-made for a Chamber meeting. She referred to the Government's recent announcement of a Small Business Corporate tax reduction. Retroactive (to January 1, 1979) legislation would be introduced that would see corporate tax paid by small business, including incorporated farms, reduced by more than one-half. That is, taxable income now assessed at 11 percent would be reduced to five percent on the first \$150,000.

Candidate Fyfe also mentioned that Alberta's share of

oil revenues had increased from 16% to 42% in the eight years the PC's have been in power and had led to wealth being the "greatest problem we now face." She said all Albertans had benefitted and that future generations would also benefit due to the Heritage Savings Trust Fund. The Trust Fund, she said, had prevented the "crippling, spiral inflation" experienced by several oil rich states around the world.

### QUESTION PERIOD

First question from the floor came from Ed Jones of St. Albert Carpet and Decorating Ltd. He asked Mr. Borreson how an NDP government would help change public attitudes toward public transit. Mr. Borreson didn't directly answer the question but did say that more St. Albert Trails and by-passes were not the answer; they would only subsidize energy inefficient private transportation. Public transit must balance the road system.

Zane Jakubec asked whether the people who had built Alberta - "our parents and grandparents," would have to wait until next election for more handouts or would they be on-going.

Candidate Fyfe admitted she was concerned about problems in education and health care but also did not want to see the province "go on a spending spree." She said she was prepared to

expend as much effort as possible working toward the solving of these problems which were to a large part caused by rapid growth in the area.

Bill 41 was also brought up when one questioner asked Candidate Fyfe what she intended to do about it. Mrs. Fyfe replied that Bill 41 merely put into legislation a fact that already existed. Mr. Borreson replied to a similar question that essential services should have compulsory arbitration but he couldn't see why Alberta Liquor Control Board employees would fit this description. The government he said had done nothing about defining what services provided by its employees were essential.

Mrs. Fyfe was asked what would happen to the St. Albert business community should a by-pass be built around the city? (the questioner appeared to be from out of town). Mrs. Fyfe said that council had supported the by-pass and that she had heard nothing from the Chamber on the matter. She said she had talked to several people who were not interested in seeing the St. Albert Trail grow.

Chamber Secretary Diane Proctor asked the candidates where they stood on Edmonton annexing St. Albert. All candidates said they were opposed.

The most fiery question came from Credit Union Manager Leo Alain. He told candidates that all their promises seemed to be adding fuel to the fires of inflation and asked them what they intended to do about it.

Thibault said that the Liberal party, as a free enterprise party, desired to create a situation where people help themselves and not where they lived off handouts that lead to inflation.

Fyfe said she was particularly concerned and as a party the PC's would do what they can. She said the money recently made available would give locally elected bodies the flexibility to plan for the future.

Borreson said the NDP party was not interested in hand-outs but a long-term revenue sharing plan. He compared the hand-outs to feeding a starving man a gourmet meal when what he really needed was a steady nutritious diet.

Social Credit candidate Petch said his party would help fight inflation through encouragement of profit sharing for employees and other methods of increasing productivity - the only real method that would meet with success.

### KNOCK-OUT DONATION

Brinki Gudmundson (left), president of the Associates Club 271 of the Royal Canadian Legion presents a cheque in the amount of \$300 to Taffy Williams of the St. Albert Boxing Club. The donation was made from the Associates bingo fund, to help replace boxing equipment that was stolen recently.

## Civic grants criteria submitted

The Community Services Advisory Board has come up with a set of criteria for civic grants and Monday night city council took a look at the results of the effort. Council took no immediate action on the issue but Ald. Barry Breadner said he generally agreed with the terms of the report and said it was obvious a lot of work had gone into it.

Any applicant for a grant will have to be a resident of St. Albert. Whether the applicant is an individual or an organization, he, she or it will have to establish that the project for which funds are being requested will be of benefit to the community. The project cannot duplicate one already offered by the city. As a general rule, those who are receiving funding from other grant programs will be ineligible. This rule is not rigid however. The project to be funded cannot be one for which any level of

government is already responsible.

When applying, applicants must prove their efforts to obtain funds from other sources. They should also file a report saying what effects would result if they do not receive the funds. If the grant is for equipment the applicant must undertake to turn the equipment over to the city in the event the organization is disbanded. Where applicable applicants will have to demonstrate the effective use of previous grants. Organizations applying must be registered under provincial or federal legislation relating to non-profit organizations. All applicants will have to submit a financial statement and a budget for the years of operation which will include the grant.

The principles of "non-profit" will guide the board's deliberations.

### New manager at MacLeod's

St. Albert's MacLeod's department store has just welcomed a new manager into the fold.

Doug Robson began his duties last week at the store, but isn't a newcomer to the field of management or the MacLeod's chain. Previously, Doug was manager at the Westlock store for five years,

Athabasca for three years, along with one year stints at the MacLeod's stores in Lethbridge, Selkirk, Manitoba and Winnipeg.

Doug and his lovely wife, Carol, have two children, Karen, 15, and Brian, 11. They will be moving into St. Albert next week. Doug says of his new environment, "I really like this town."

Welcome to St. Albert Doug!

DOUG ROBSON

## As Temperatures Rise, Unlike The Weatherman, We Can Guarantee Our Auto Insurance Rates Will Not

### As An Example:

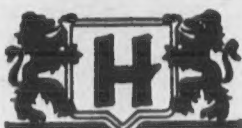

If you are a married male over 25, no accidents and not more than two convictions in past five years you would pay:

\$500,000.00 liability .....	\$104.00
Accident Benefits .....	\$ 12.00
\$100.00 deductible collision .....	\$ 86.00
\$25.00 deductible comprehensive .....	\$ 31.00
	<b>\$233.00</b>

These rates would allow you to drive up to 10 miles one way to work. For the same driver using the auto for pleasure purposes only, the premium for the same coverages would be \$193.00.

You are invited to call our office or drop in for a quotation on your insurance needs with no obligation.

## Slutker Furs & Hide Co. HAS MOVED TO 10529 - 105 Ave. Edmonton

We have moved from our original address at 10306 - 101 Street to our new address:

**Halford Hide & Leather Co. Ltd.**  
10529 - 105 Avenue, Edmonton

Our phone number remains the same:  
**(403) 422-2751**

#### TUNNEL VISION

Nurse Muriel Beaulieu has her vision retrained to that of a person who experiences tunnel vision. The experiment was undertaken by the nursing staff at the Youville Home yesterday as part of a day long workshop to understand the difficulties encountered by the residents. The nurses were afflicted by limited limb movement, blindness, arthritis and blurred vision.

## Youville workshop on "caring"

A first all-day workshop for the nursing staff at the Youville Nursing Home was held on March 6 and March 13.

The theme of the workshop was on "Caring."

Part of the day was spent in active role playing which gives the staff member an insight into the feelings and needs of our residents.

The Home emphasizes quality of care and this day was spent reinforcing this aspect.

It has been proven that

staff members who experience what residents feel, become more sensitive to residents' needs.

Emphasis on individuality and independence play an important role in caring for the elderly.

Guest speaker for the morning was Sister Therese Castonguay, board member for the Youville Home, who spoke on the importance of attitudes and co-operation.

With a team approach, caring for the resident cannot only be challenging, but also

enjoyable and rewarding. It can lead us to the fulfillment of our goals and the provision of the quality of life for our resident to which we are committed.

The workshop was prepared and given by Mrs. Brassard, Mrs. Brockmeyer and Mrs. Thompson, a team of nurses from the Youville Home.

"Caring is a beautiful thing, for those who give, as well as for those who receive."

## Kidney campaign needs help

Anna Larison who is co-ordinating the campaign for the Kidney Foundation in St. Albert needs some help. She would like to hear from any St. Albert residents who are able to canvass for a few hours on behalf of the Kidney Foundation, whose campaign runs from March 12 to 26.

"I am in desperate need of volunteers in Lacombe Park, Grandin, Forest Lawn and Braeside," Anna told the Gazette last week, "and any help would be greatly appreciated."

She lives in St. Albert and if you can assist this important work she would appreciate your telephone call to 459-8552.

## St. Albert Air Cadets in Review

By F/Sgt. C. Leibel  
Saturday, March 10, 11 scholarship cadets, accompanied by four of 533's officers, departed from the community hall for Penhold at 1100 hours. Major F. A. Maybee led the way with the Flying scholarship cadets, F/Sgt. C. Coates; F/Sgt. M. Grieve, F/Sgt. L. Hymers, Sgt. S. Barr and Cpl. G. Kite. Following close behind with the Senior leadership cadets, Sgt. Durrant, Cpl. C. Joyce and the exchange scholarship cadet; WO11 R. Fecteau was Captain G. Martin. Officer Cadet W. Fecteau drove the remaining cadets which included Athletic Leadership Cadet LAC S. Dorran, Ground, Search and Survival Cadet F/Sgt. C. Leibel and Technical Training Cadet Sgt. B. Ward. This car was also accompanied by Officer Cadet G. Armstrong.

Information concerning summer camps is now available to cadets. More information about summer camps will be covered in future articles. Cadets are reminded that they must have a Social Insurance Number if they wish to attend any summer camp.

533 Squadron has recently purchased new 22 calibre rifles which cadets will be able to try this Sunday, March 18 at 1000 hours. Cadet I.D. cards are required for this event.

Immediately following range, the senior drill team will practice from 1200 hours until 1400 hours in preparation for the competitions in April.

Any cadets wishing to play on the volleyball or borden ball teams are asked to attend practices Tuesdays from 8 p.m. until 10 p.m. These teams are also preparing for the rapidly approaching competitions in April.

Information on joining #533 Squadron can be obtained at the Community Hall Thursday evenings at 07:00 p.m.

### TENDER

Canada Post is inviting tenders for the delivery of relay bundles, specials, directs, parcels, post-pak, registers, COD, etc. and collection of mail from Street Letter Boxes and Sub Post Offices in the City of St. Albert.

Open to residents and business firms of St. Albert only. For further information, please contact the Postmaster at St. Albert, Alberta.

Closing date for receipt of tenders is 3:00 p.m. The 28th day of March, 1979.

### SCHOLARSHIP CADETS

Posed behind the Harvard trainer at Penhold are, from left to right: Sgt. Steve Barr; F/Sgt. Mike Grieve; F/Sgt. Lance Hymers; Cpl. Greg Kite; Sgt. David Durand; F/Sgt. Cheryl Leibel, LAC Seva Dorran; Cpl. Cheryl Joyce; Sgt. Bruce Ward; F/Sgt. Chris Coates; WO 11 Rick Fecteau; O.C. W. Feacteau; O.C. G. Armstrong; Captain G. Martin and Major F.A. Maybee. Penhold, one of the many summer camps available to Cadets, also hosts the scholarship selection boards each year.

## Pre-school leaders workshop to be held

The Y.M.C.A. of Edmonton will be holding a Pre-School Leaders' Workshop the weekend of March 30, 31 and April 1 as well as April 29 at Winnifred Stewart School. Anyone interested in working with small children should consider attending the workshop. An in-service commitment followed by volunteer involvement is required in order to take the course. A minimal charge will be made for materials.

For those not wishing to volunteer their time, a course fee of \$35 will be charged.

The workshop will include introductory movement education, growth and development, skill progressions in both the gym and pool, development of themes and lesson plans for classes, games sessions, as well as first hand observation.

For more information, contact Sue Shepherd at 455-2139.

Elim Chapel is pleased to announce that a Free Christian Family Counselling Service is available for St. Albert residents.

For appointment contact Mr. Harold Peacock or George Gumas between 7 p.m. and 9 p.m. on Tuesday evenings. Phone 459-5181.

All counselling sessions will be dealt with in strict confidence.

# Keep your teeth healthy for a lifetime

First in a series of articles prepared by the College of Dentistry, University of Saskatchewan

## CHANGES NEEDED IN ATTITUDES

Dental disease is Canada's most prevalent public health problem, affecting 95 percent of the population and costing \$250 million dollars or more in dental bills alone each year. A discouraging fact is that, while dentistry is developing more effective methods to control tooth decay and gum disease, neither the public nor the dental profession has succeeded in applying this knowledge to the majority of

the population for their routine daily use and benefit.

Preventive dentistry demands serious readjustment in thinking for patients and the dental profession. Patients should faithfully practice home care measures prescribed for them on a daily basis. More concern is needed on the part of dental professionals and their auxiliary staff, who must design individual home care program to benefit each age group in the family unit. This varies considerably from the very young pre-school child to the more elderly person in our society.

## LESS COMPLEX

It may sound more com-

plex, but in the long run preventive dentistry is less complex, less costly and much less painful and time consuming, than dental services that focus on emergency treatment and repair of severely damaged teeth due to years of neglect.

Increased resistance to decay is built into teeth by adjusting the fluoride level in the local water supply, topical application of fluoride solutions to teeth, using a recommended fluoridated toothpaste and by regular recall visits to a dental office or school clinic. During such visits your teeth are given a thorough examination and cleaning and a fluoride solution or gel is applied when

indicated. Preventive care and treatment for baby teeth influence the correct positioning of the permanent teeth; helping to ensure a healthy bite, an attractive smile and eliminate many unhealthy conditions which cause gum disease and loss of teeth in later life.

## PIONEERS

Early North Americans were noted for their bad teeth and poor oral health. Dentists in those days had to work very hard to invent ingenious methods of tooth repair and replacement for their patients. Some well known figures in our history

books on both sides of the border were plagued by decaying teeth and infected gums. For instance, George Washington was faced with the loss of all his teeth and his dentist, John Greenwood, fitted him with spring-controlled dentures. The artificial teeth used were hand-carved from ivory. Some historians believe that Washington's look of sternness in his later portraits was due to the rather crude but serviceable dental appliances that he wore, affecting his appearance. For pioneers, there was little available for the patient or the dentist to treat tooth decay and gum disease; compared to the

results of research and advances in technology that we can all benefit from today.

Diseases around teeth were rampant in the "good old days" but can be effectively controlled and treated today. Gum and bone disease, more than tooth decay, is responsible for the loss of teeth in the over-30 age group on this continent. By keeping your teeth and surrounding tissues clean, and a regular checkup, you stand a much better chance of avoiding serious dental disease and the consequences in your lifetime.

Next Article: Care Needed on Home Front!

## THE CITY OF St. Albert

1. Under the provisions of the City of St. Albert Zoning Bylaw No. 23/71, Lot A, Block 22, Plan 5267 R.S. was zoned, prior to September 19, 1977 as C-2 (neighborhood commercial) as shown on the attached plan "A."

2. Under the provisions of Bylaw No. 32/77, the City of St. Albert rezoned a portion of Lot A, Block 22, Plan 5267 R.S. to R1c (single family residential detached and semi-detached) as shown on the attached plan "B."

## Notice Of Public Hearing

3. The validity of Bylaw No. 32/77 is currently the subject matter of unresolved Court litigation.

4. The City of St. Albert desires to adjust the boundaries of the commercial portion, rezoned that portion to C-1 and also to remove the present uncertainty relating to the validity of Bylaw No. 32/77.

5. The City of St. Albert proposes to pass Bylaw No. 4/79, being a bylaw to rezone Lot A, Block 22, Plan 5267 R.S. to C1 (commercial) and R1c (single family residential - detached and semi-detached) as shown on the attached plan "C."

6. The portion of Lot A, Block 22, Plan 5267 R.S. which is to be zoned C1 (commercial) is approximately 1 acre in area and is described as follows:

"commencing at the southeast corner of the intersection of Sir Winston Churchill Avenue and Fairview Boulevard, thence southerly 358 feet ± to a point, thence northeasterly 161 feet ± to a point, thence northwesterly 238 feet ± to a point, thence northerly 89 feet ± to a point, thence southwesterly 220 feet ± to the point of commencement."

7. All of Lot A, Block 22, Plan 5267 R.S., excepting thereout that portion described in paragraph six preceding, is to be zoned R1c (single family residential - detached and semi-detached).

8. The proposed Bylaw No. 4/79 also repeals Bylaw No. 32/77.

9. The proposed use is a residential development comprised of 26 semi-detached and 7 detached dwellings and approx. 12,000 sq. ft. of retail/office space.

10. The proposed Bylaw may be examined between the hours of 9 a.m. and 4:30 p.m. weekdays at the Office of the City Clerk in City Hall, St. Albert. Enquiries regarding the proposal may be made at the Planning Services Department at City Hall, St. Albert.

11. Council will hold a Public Hearing on the proposed Bylaw on Monday, April 2, 1979 at 7:45 p.m. in the Council Chambers, City Hall Annex, at which time any person claiming to be affected by the proposed Bylaw shall be afforded the opportunity to be heard.

12. Written representation concerning the manner in which any provision of the proposed Bylaw may affect him, will be received by the City Clerk until 12 Noon, Friday, March 30, 1979.

13. A copy of this notice and sketch has been forwarded to each assessed owner within 200 feet of the area to be rezoned.

Fiona Daniel  
City Clerk

## Debating championships Saturday

The Alberta Debate and Speech Association will hold its annual Alberta Debating Championships in Edmonton on Saturday. More than 4,000 students from 150 Alberta junior and senior high schools have partici-

ated in a program of debate which began last September. The top debaters from over 300 entrants in eight regional competitions will be competing in Edmonton for the right to represent Alberta at the Canadian Student Debating Championships to be held in

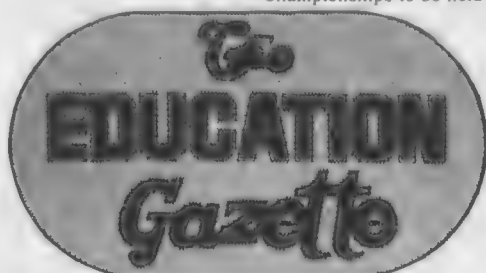

Saint John, New Brunswick, May 5 to 12. No teams from schools in St. Albert or MD Sturgeon made the finals.

Saturday's final will be conducted at Ross Sheppard Composite High School, 13546 - 111 Avenue, Edmonton. Sixty-four teams from 33 high schools will participate in four classes of competition. The resolution for debate is "Be it resolved, that the Canadian Senate be replaced by a House of Federation."

Each student will debate at least three times during the day-long competition. Each team will debate at least once on the negative side and once on the affirmative side. Competition will commence at 9:30 a.m. and will conclude with the Open Final at 8:15 p.m. More than 100 judges will be required to adjudicate 90 separate debate contests during the day. Students participating in Saturday's provincial finals represent the Peace region, Northeast Alberta, Edmonton, Calgary, Southern Alberta and Central Alberta. The students have completed a seven month program of intensive activity involving workshops, invitational debating tournaments, seminars, interprovincial exchanges and television contests. The Alberta program, the largest of its kind in Canada, is funded by the Alberta Law Foundation, Alberta Culture, major school boards, Foundations and business interests throughout the province.

Participants in the Open event will be competing for the right to represent Alberta at the Canadian Student Debating Championships in Saint John, New Brunswick in May. They will be chosen

on the basis of their performance in the provincial championships and previous tournaments, so the competition will be very intense between the top teams.

### University studying learning at a distance

Athabasca University was recently awarded a \$125,000 research grant from the Innovative Projects Fund of Alberta Advanced Education and Manpower to investigate the procedures important in the management and motivation of adult learners.

Athabasca University is a participant in the world wide movement described as Distance Education. It is the only Canadian university whose primary purpose is serving part-time adult students whose circumstances do not permit attendance at a conventional campus-based university.

Athabasca University's growth since 1975 has been extraordinary. Enrollments have grown from 500 in 1975 to over 3,500 in the present year. However, good research investigating the way people learn best when studying at a distance is in short supply.

The University is convinced that the research project investigating "The Motivation and Management of the Adult Learner in Distance Education" will be very important to its future development. The University intends to integrate the results of the study into its regular operations.

"It should be noted that the ultimate goal of this research project is to determine methods and procedures which best meet the needs of the student," stated Dr. Dan Coldeway, the Head of Instructional Development at Athabasca University who will be directing the project. "Few institutions have the luxury of being able to

constructively evaluate and research their 'modus operandi' with an eye to improving upon their process in a constructive way."

As head of Instructional Development at Athabasca University since 1977, Dr. Coldeway serves as a consultant to the University for the purposes of establishing a functional instructional system and procedures useful in making that system function properly. As chief program and course analyst for the University he insures that the plans for programs and courses are descriptive and at the appropriate level. Dr. Coldeway also is responsible for research into the instructional process.

Prior to joining Athabasca University, Dr. Coldeway was an Instructional Psychologist with Courseware, Inc., San Diego where he designed courses and programs in his capacity as director of the Product Development Department. He holds a Ph.D. in Psychology from the University of Illinois at Chicago Circle, and has authored or co-authored more than 20 publications in instructional psychology.

## Senate recommends formation of task force on visa students

A task force of the U of A Senate has recommended that the Government of Alberta establish a task force "to study and deal in depth with the question of visa students."

The recommendation was one of 15 contained in a 78-page document entitled Report of the Task Force on Visiting International Students in Alberta.

The recommendation also called for "confirmation of the principle that a reasonable number of students from all parts of the world is desirable and the development of proposals on how best to achieve the mix."

The task force suggested that the proposals include special language programs to attract students from Latin America and French-speak-

ing countries in Africa and bi-lateral programs negotiated between governments to encourage students from certain areas of the world to come to Alberta.

Another suggestion concerned the marketing of Alberta educational programs designed to benefit foreign countries. The task force said the decision to offer programs in Alberta or abroad would stem from such considerations as the number of students involved, available local resources and research facilities, and the wishes of the foreign government.

The majority of the task force members supported the recommendation that the government rescind its policy requiring that visa students in Alberta be charged a differential fee; members were unanimous in recommending that the government, in co-operation with the post-secondary educational institutions in Alberta, establish a scholarship fund for academically qualified students from developing

countries.

The Senate task force report noted that, for the University of Alberta's 1978-79 academic year, there are 1,136 students from 93

different countries. The countries with the largest contingents of students are Hong Kong (478), the United States (88), Malaysia (85),

England (56), Nigeria (47), India (38), Australia (30), Thailand (29, 24 of these are on a special project), Guyana (22), and Tanzania (19).

### LADIES FASTBALL

### SWIM LESSONS

### SPRING BIRD FESTIVAL

The second annual Spring Bird Festival will occur during Spring Break, March 26 - 30. Activities include: Monday - creation of bird costumes; Tuesday, spring painting; Wednesday, field trip and hiking to the John Janzen Nature Centre; Thursday, the movie "Benji;" Friday, costume modelling on TV.

It happens every day from 1 - 4 p.m. at Akinsdale, Grandin and Lacombe Clubhouses. For more information call Lois Shaw, 459-6601.

The Ladies Fastball group will be forming two distinct teams this season. Those interested in competitive play may join a league team and those who wish casual play may join another team. The league will commence action around the end of April. If interested, please call Elana Aaserud, 459-4220

Registrations for Spring Swim Lessons to begin the week of April 2 are now being taken at the Fountain Park Recreation Centre. Lessons are available for all ages and abilities during the daytime or evening. Register at the Centre daily from 9 a.m. to 9 p.m. More information may be obtained by calling 458-2022.

## T.V. listings for Cable 5

### WEDNESDAY, MARCH 14

5 p.m. **Music the Way It Is** - Host Jim Connelly plays what's new and good in contemporary music.

6 p.m. **Community Billboard** - the "Bionic Message Board" appears, to tell you all about what's on in St. Albert.

7 p.m. **Inside Story** - \*Please Note - Inside story is unavailable this week due to technical problems, i.e. - a hungry machine ate the videotape. Our apologies - be sure to tune in next week.

7:30 p.m. **Pets & People** - Interested? Host Dr. Mike

Rasberry talks about proper dog breeding procedures with some prominent Edmonton breeders.

8 p.m. **Living with Change** - Host Elinor Good talks with Ian Soles about eating habits and keeping fit.

8:30 p.m. **Remnants of Our Past** - Interviews with St. Albert pioneers presented in replay.

9 p.m. **Operation Enterprise** - This week's topic - Teacher/student relationships and how they influence a school. Also, Mrs. Freud and the gang in "Suds."

9:30 p.m. **The Lieutenant Governor visits Vital Grandin School** - A replay of the Hon. Mr. Steinhauer's visit, including an interesting question and answer session with the Grade 4's.

Don't forget our complete replay of Wednesday night - every Sunday morning at 9.

Less than one third of Canadians with high blood pressure receive proper treatment.

# PRIME TIME FOR LIVING

## Response to 'talking books' is meagre

One year ago Talking Books were introduced through the public libraries for Albertans who cannot read standard style books. But the response fell far short of expectations.

The problem seems to be that because these people do not visit libraries, they find

out about Talking Books only when volunteers or librarians seek them out. This problem is further complicated because many physically handicapped persons who would qualify to borrow Talking Books think these cassette taped books are only for the blind.

In truth, anyone who cannot read a standard kind of book, because any type of disability, qualifies to use Talking Books.

They are collected by Alberta Library Services to the Handicapped (A.L.S.H.) then passed on to the libraries.

To correct the communication problem presently leaving an estimated eight thousand Albertans without the stimulation and pleasure of literature, A.L.S.H. plans to launch a publicity campaign later this month.

The main thrust of the campaign will be aimed at therapists, nurses, doctors and other professionals who could and should be telling their patients about Talking Books, but who themselves may know very little about the program.

Although only four hundred persons are now registered to borrow Talking Books, it is hoped this figure will rise dramatically over the next few months.

A.L.S.H. has 12 hundred titles, ranging from Fiction to Biographies, to collected short stories. Counting duplicates that translates to over six thousand Talking Books. Four hundred additional titles will be added by 1980.

## Seniors art to be shown

A group of seniors in Edmonton have been busily wielding brush and palette to prepare for the upcoming Seniors art class exhibit and sale. This year's artfest is entitled "Spring Impressions."

The paintings will be displayed at the Central Lions Senior Citizens Recreation Centre, 11113 - 113 Street on Sunday, April 1 from 2 - 4:30 p.m. There will be no charge for admission and refreshments will be served.

## U of A invites Seniors spring registration

On April 30, school will be in for Alberta's senior citizens.

The U of A's fifth annual spring session for senior citizens will begin that day and continue until May 18.

Fifteen general interest non-credit courses, ranging from Creative Writing to The Law and You, will be offered to Alberta residents who are retired and over 60, and their spouses.

According to Ev Simpson, assistant co-ordinator of the session, attending university is a very rewarding experience for these 'senior' students. "Many of them have told us they've put their own children through university, but never got the chance to go themselves. They get a great deal of satisfaction from the whole experience," she says.

Ms. Simpson also notes that, because there are no prerequisites and no exams, the learning process is fun.

Registration priority will be given to applicants over 65 years of age living north of Red Deer, and to first-time applicants. Class enrolments are limited and early registration is recommended. The deadline for registration is March 31. A registration fee of \$5 is required of first, second and third year students, and a \$50 fee is required of fourth (or more) year students.

Free accommodation and parking passes have been arranged on campus for a

limited number of out of town applicants, on a weekly basis. Advice and information on campus activities will be available at a senior citizens' drop-in centre during the session. Library passes will be given to all participants.

A scholarship fund has been set up to assist students who may encounter difficulty with transportation and registration fees. Applications may be made to: Mrs. Monda Wadsworth, co-ordinator, Spring Session for Senior Citizens, Faculty of Extension, The University of Alberta. Such applications will be handled in the strictest confidence.

Around the World in Fifteen Days, Conversational French, Intermediate French Writing Your Community History, Fitness For Senior Citizens, Drawing, Photography and Painting, Humour, The Canadian Identity, and a Research Seminar will all be offered April 30 to May 18.

The Law and You will be offered as a one-week course April 30 to May 4. A two-week course in Creative Writing will be held April 30 to May 14.

Music Appreciation, Gardening in Alberta, Grits and Tories: Canada's Political System, Contemporary Canadian Issues, and You as Manager of Your Health will all run for two weeks, from May 7 to May 18.

The spring session for

senior citizens is also combined with social activities for the students. Ms. Simpson says the educational and social aspects may just about be equal. In fact, many students' attendance at the university constitutes their annual holiday.

Among this year's scheduled activities is the annual banquet and dance. Tentative activities include a performance of What The Butler Saw, by Joe Orton, a movie night, swim night, a visit to Fort Edmonton, observatory tour, guest speakers, and much more.

The spring session for senior citizens is sponsored by the University's Faculty of Extension and Special Sessions office and the Society for the Retired and Semi-retired. Funding has been provided by the department of advanced education and manpower of the Government of Alberta.

For further information and registration forms, telephone 432-3033, or write Spring Session for Senior Citizens, Faculty of Extension, Corbett Hall, 112 Street and 82 Avenue, Edmonton, Alberta, T6G 2G4.

## ART SALE

Alberta Artists

Royal Canadian Legion

Auditorium

6 Tache Street, St. Albert

SUNDAY,

MARCH 18

Noon to 9 p.m.

## Irish Day coming to Seniors Centre

Thursday, March 16 will be Irish Day at the Centre. Everyone is invited to come around 12:30 to join in the singing with the "Groovy Gang" leading the sing song. The jollifications will follow the meal which is provided for a limited number through the Meals on Wheels program.

Information about these

weekly lunches which are delivered every Thursday to the Centre can be obtained by phoning Jenny Allen at 458-0472 or Olga Buma at 459-8309.

Around 1:45 p.m. the Seniors will then board a bus to Vital Grandin School to listen to an operatta.

Everyone is welcome.

## Seniors have stake in coming election

The election approaches and Senior Citizens will make up at least 25 percent of the popular vote. To ensure that seniors are informed on the issues affecting them, the Alberta Council on Aging News has compiled a list of the major issues, which the Gazette has summarized. Ask your candidate where he or she stands on these issues.

The most affecting overall issue concerns the right of seniors to have input into decisions involving them. Seniors should know whether the party in question would use their expertise and experience in developing policy and programs. Sometimes, it is difficult to see the needs of a 65 year old when looking through 40 year old eyes.

Seniors are also concerned about the right of choice in housing. The lack of options in housing for seniors can result in a "like it or lump it"

approach to seniors housing. The needs of each citizen are different and this individuality extends to housing needs. Seniors need to ascertain if the party in question will ensure a full range of housing needs from home care/support to rent subsidy to subsidized housing.

As with other age groups throughout the province, those over 65 are concerned about health care. The provision of home care and better training for those who work in nursing homes and institutions is badly needed. Also a concern is the need for more physicians sensitive to the special requirements and problems of seniors.

Finally, seniors believe that like other interest groups, they have the right to well informed representation. Seniors will be questioning candidates to see if they know or care about issues of importance to them.

## ON THE HOME FRONT

## Supermarket strategy - to make you buy

By Paddi Mills  
Consumer & Corporate  
Affairs Canada

Supermarkets pay top salaries to marketing executives who spend their lifetime devising ways to convince

consumers to buy at the grocery store.

The only way to protect yourself from undue pressure from marketing tactics is to be aware of what they are, and how they work on

the unconscious consumer.

Next time you're in your local grocery store, have a look at how things are laid out. Notice that meats are generally at one side, then dairy products along the back, and the fresh product along the other side. This is no haphazard arranging, rather, it has been determined that even if a consumer comes in for a few items, the more she will buy. Therefore if staple products are located at opposite sides of the store, there is a good chance that anyone coming into the store will walk from one end to the other.

Have you ever noticed the grocery stores with bake shops and/or snackbars generally locate them near the door. This is so anyone

coming into the store will be affected by the smells and sights of ready to eat food and will thus be persuaded to buy. Some supermarkets vent the air from the bakery into the rest of the store. You know what that can do to you! If it makes you hungry, chances are you will buy more.

What about those "end of aisle" displays. Most grocery stores stack goods at the end of the aisle to give the impression they are a sale item. The stacked, haphazard appearance has a psychological effect on consumers, giving an illusion that there is something special about the product. Buyer Beware! These items are rarely on sale!

## Home and Garden Show - a wealth of information

Again this year, the Gazette in conjunction with the Edmonton Home and Garden Show will be sending 20 couples to the show free of

charge. Whether you win a free ticket or not, the show always provides useful information which is sure to benefit you.

Besides the many exhibits on display, there will be a Do-It-Yourself Theatre at various times throughout the show. The demonstrations

will include: stripping and refinishing furniture, how to measure, cut and lay carpet, planting and care of fruit trees, rec. room construction, pool care, insulation and the latest developments in the field of solar energy.

Free advice will be available from members of the Alberta Architect's Association and the Registered Interior Designers Institute of Alberta throughout the show. So if you have any questions here's a golden opportunity to find out for free.

The University's Faculty of Extension and the Solar Energy Society of Canada will present a display about solar energy. They will show you that solar energy is not just an academic theory, but a practical reality.

1,300 sq. ft. has been dedicated to over 3000 bulbs courtesy of the Netherlands Flower Bulb Institute. This should be a very beautiful display and there will be people on hand to discuss your growing problems.

As you can see, there is a wealth of information available at the Edmonton Home and Garden this year, which runs from April 4 to April 8. See you there!

### DO-IT-YOURSELF

## FARLIE'S HAPPY WANDERERS

While Edmonton froze, Pat Coward and Pauline Atkinson of St. Albert (left to right above), basked in Acapulco's sun over the Christmas holidays. Mrs. Atkinson says she enjoyed the pool, got "the best tan I've ever had," and had a lot of fun bargaining with the sellers of gold jewellery. The trip's highlight for Mrs. Coward was a city tour which included Acapulco Centre with its museum, disco club, theatre and ethnic dancing. She also loved the tacos and the avocado dip, and appreciated the "good bunch" of friendly people at the El Mirador Hotel.

Let Farlie send you, too...into the sun!

## Education Week at Lorne Akins

It's over for another year, but Education Week '79 will be long - remembered at Lorne Akins. Many activities highlighted the week, many contests occurred, and many happy memories will continue for some time to come.

Two major "fun" contests ran throughout the week. In the first, students were asked to guess the number of candies contained in two giant pickle jars. And today, Todd Bish, Grade 9, is preparing to visit his friendly dentist, complete with his 92 candies.

The second "fun" guessing game was particularly befitting to the theme of "The Year of the Child." Students were asked to guess the names of teachers whose baby pictures appeared in the display case. It was very embarrassing for certain staff members, particularly the one in his birthday suit and the one with the little curl, but at least for the eventual winners, Janet Barber and Becky Schalm a new record album made the guessing game worthwhile.

The school participated in a literary contest as well during the week. Grade 7 students were asked to write a poem, Grade 8's a poem or essay, and Grade 9's an essay on the theme "The Year of the Child." Some excellent poems and essays were submitted by each Language Arts teacher, and finally judged by Mr. Bau-

man, the principal of Lorne Akins. Winners included Lisa Sauer of Grade 7, Mary Elliott of Grade 8, and Hemi Thaker of Grade 9. Each student received a certificate for a record album to commemorate their selection.

Throughout the week, several special activities also took place. Monday saw a gigantic poster display in the gymnasium. Each classroom was to create as many posters as possible, devoted to "The Year of the Child," and literally decorate the gymnasium. Individual posters were selected as prize winners. In this contest, winning posters were submitted by Class 8-3, and individual prizes went to Tracey Watson/Colleen Schalm and Laura Teasdale/Lisa Sauer, all four of whom are Grade 7 students.

Tuesday noon hour saw the "Battle of the Brains" as members of the Lorne Akins Hi Q Club challenged teams of teachers. In the end result, both teams won two games, but students were declared victorious by virtue of total points -- an 80 point overall victory.

Wednesday noon hour a large group was treated to a demonstration by the Wrestling Club. Under the direction of Mr. Schulha students demonstrated many of the wrestling skills that have led to several trophies and awards for this year's club.

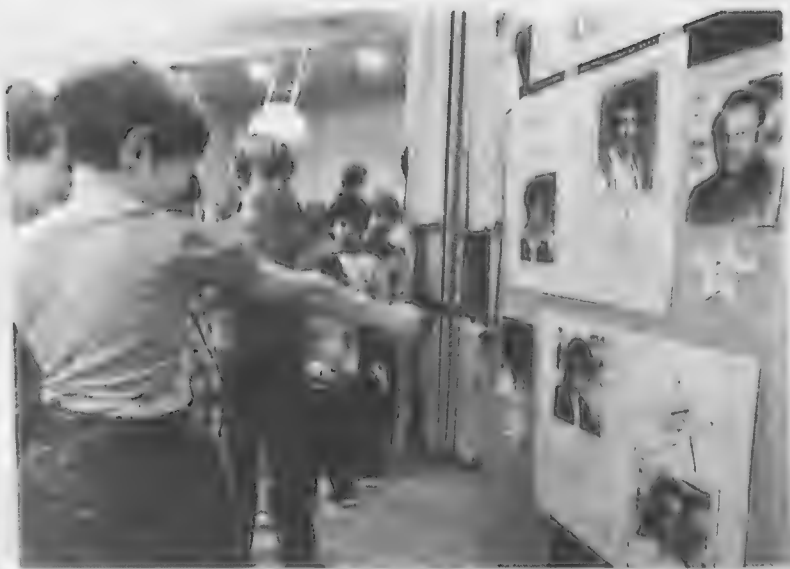

Thursday noon hour heard

a short concert by the Grade 9 band. Under the leadership of Mr. Adam, this group of young musicians performed several works for the students and staff of the school. The band is busily preparing for the upcoming Kiwanis Music Festival, and this mini-concert will certainly help in their preparations.

Then came Greaser Friday! The 50's 'returned' to Lorne Akins with a bang as students and staff re-lived the Happy Days and Graftiti Days in style. During the noon hour, a special "restaurant-disco" was set up in the gymnasium. Students' admission included a hot dog, drink and snack, as well as 90 minutes of rock from the 50's ably performed by D. J. Clyde Krier, a Grade 9 student at the school.

The students of Lorne Akins would like to thank the owners of *Sounds Beautiful*, St. Albert's newest music store. Located in Mission Ridge Shopping Centre, the store donated prizes towards the Akins' Education Week.

It was truly a week to remember at Lorne Akins Junior High. Staff and students remind everyone of the theme and spirit that everyone should follow: "The International Year of the Child."

### LOVE THY TEACHER?

Grade two students at Sir Alexander Mackenzie School had a chance to show their likes or dislikes for their teachers with a loaded rubber dart gun, Friday. The shooting gallery was one of many activities for the youngsters afternoon Penny Carnival.

## St. Albert High Jottings

By Renata Joly

The great rivers have been released. A warm, spring sun has created rapids flowing along the streets of St. Albert and has made everything come more to life. The seasonal "quick-running waters" of St. Albert High School have begun to flow as well, since that springtime sun has melted away the winter quietude. One can see, hear and even feel the hustle and bustle as numerous activities flow along in a river of school spirit.

Beginning with the school's annual Share Lent Project, we decided to do something different this year. A "Talent Week" was set up on February 28, March 1 and March 5. Students and teachers alike

performed in little groups. Spectators were required to pay 25¢ in order to be admitted and they received 25 of our traditional "Buckaroos." Performers were awarded 50 buckaroos for their efforts and at the end of the "Talent Week" all students formed groups or syndicates to pool their buckaroos.

On March 6, an auction was held. The syndicates bid for their choices in teachers. Mr. Iseke was the auctioneer and he did an excellent job. From then until March 16, the "owners" of these

teachers must collect sponsors for a Shoot-a-Thon in which the teachers, with a set handicap, must shoot as many baskets as possible within 10 minutes.

On March 21, a number of events are taking place. There will be a Greaser Day. In addition, elections for the new Students' Council will take place. Results of the elections will be announced that very day.

Perhaps it isn't quite spring yet, but the Spring Fever is just beginning. It is a certainty that there will soon be an epidemic.

**Paul Kane Kibitzer**

By Shauna Oor

Students are people and people are the public, right? The parking lot adjacent to Paul Kane High School, which also happens to be adjacent to the Day Care Centre and Fountain Park Recreation Centre, is public. Therefore, the students can park in it.

Mr. Geddis, Paul Kanes astute and intelligent librarian, seemed mildly perturbed about the issue when, in a conversation with the reporter, said, "It's a public parking lot and students are 'public'."

Mayor Harvey recently insinuated that the parking lot belonged to the Day Care Centre and therefore should not be used by the students of Paul Kane. He referred to it as being the property of the Centre. The fact is, it was built by the city for the public, hence it is a public parking lot.

One of the students here at Paul Kane feels that if the City is upset about having students "blocking" access to any of the adjoining facilities, they should build another lot. A suggestion would be to enlarge the present lot, by paving the space between the present lot and the school. Considering the condition of the area, this is probably the best solution since it is beginning to resemble a lagoon.

Now, who pays for it? We have two elected bodies passing the buck between themselves; the City and the Protestant School Board.

I find it a little amusing that the students are the ones who are considered to be "blocking" the parking lot when they have just as much right to be there as the parents picking up their children from Day Care or the swimmers. It seems to be the popular way of getting things done, accusing the students of being the guilty ones.

The mayor also recently stated that if something wasn't done, the students would be forced to park on the street or elsewhere. One short moment of thought will illustrate the problems this would create.

Ald. Margaret Smith said the need for more room would be "difficult to justify." I find this statement a little unbelievable since the justification can be found everyday at 3:00 p.m. when 100 students pull out of the one lane exit.

## Ronald Harvey School celebrates Education Week

Science Fair projects were displayed in the gym on Tuesday night for the parents to see. The Grade 4 students were very proud of the results of six weeks work. After final judging the winners were: Alan Findlay, 4A, Fertilizer; Suzanne Proehl and Marnie Pomoty, 4B, Plants; Glenn Chomin and Michael Richardson, 4C, Electromagnets; Heather Laird and Denise Hockett, 4D, Air. These students will now enter their projects in the St. Albert District Science Fair tonight at Sir George Simpson.

The Gymnastics Club put on a demonstration of vaulting and tumbling skills. About one hundred Grade 3 and 4 students under the direction of Mr. Roger Davies, Mrs. Janet Hurley, Mrs. Ann Smithson, Mrs.

Ann Foster, Mrs. Marnie Dennis and Mrs. Dixie Bruyere, trained during the noon hour and after school all winter.

The Rhythm Band, Recorder Band and Choir under the direction of Mr. David Sanderson demonstrated the school music program. Mr. Sanderson and students were proud to present the Kodaly and Orff system of music education.

On February 14 a Penny Carnival was held in the afternoon. The students and staff would like to thank all the parents who helped with the games, selling candy, counting pennies and all the other jobs that made the day so successful.

On Monday, March 12 the students saw the Bim Bam Boom Circus in two performances at the school.

### SCIENCE FAIR

Elementary and Junior High School Projects on Display

MARCH 14 -- 7:00 - 8:30 P.M.

Sir George Simpson School

### SCIENCE FAIR WINNERS

Michael Richardson and Glenn Chomin were winners from 4C at the Ronald Harvey Elementary School Science Fair.

# Science Fair and speech winners chosen

Leo Nickerson Elementary School has six grade winners at their Oratorical Contest held on March 7. The judges, Dr. Wes Penner, Muriel McKinstry and Doug Parkinson, had a most difficult time selecting a winner in each grade. However, their selections, excellent ones, were as follows:

Grade one - Christopher Brauer; Grade two - Shaw-

na-Lee Sadlier; Grade three - Carmen Brauer; Grade four - Michelle Oester; Grade five - Shelley Mundy; Grade six - Lori Pennycook.

Congratulations to the winners and to all contestants who participated in the Speech Contest and made it such a memorable evening.

Finalists for the District and Regional Science Fair selected the same evening.

They were:

Grade Four: Charlene Tessier, "How to Test Foods for Fat;" Steven Houle, "Pendulums;" Peter Shipanoff, "Moss Reproduction;" Patty Brenenstuhl, "Paper Making and Re- and Bradley McDougall, "Paper Making and Re-

cycling."

Grade Five: Jimmy Krempien and Lee Pennycook, "The Human Ear;" Ian Reynolds and Bruce Edwards, "How Plants Survive."

Grade Six: Lori Pennycook and Heather Determan, "Inertia;" Karen Adolf and

Joanne Toews, "Crystalography;" Pamela Fuller and Debbie Orth, "Plants."

Education week is over for another year. The students

and staff at Nickerson hope you had an opportunity to visit and see what is happening to your children in their school.

## Bertha Kennedy Profile

### MY SPARE TIME ACTIVITIES

**My hobbies are:** I like to collect stamps and take care of plants.

**Sports are:** a lot of fun. My favorite sports are hockey, soccer and football. Reading

to me is a quiet motion. My favorite books are mysteries or spooky stories. My jobs and duties are sometimes to vacuum and wash the dishes.

**DON RADOMSKI**  
Grade 5

I am very pleased about some of the things I do. The thing is I wonder if other people are pleased too? I sure hope they are. One of my talents is drawing. I like to draw because you don't make noise and its fun. What I like to do most with my friends is to play games. I like to play pool and swim, to play soccer, or hockey and football, or tag. But if I met someone that I knew from a long time ago I just sit down with him and we talk about each other. My favorite subjects in school are math and gym. I might not be good at them but I like them a lot.

I take swimming lessons. They're a lot of fun. My teachers name is Joanne. She taught me a lot of swimming techniques.

Sometimes I just relax and watch a little TV or play with my dog or watch my fish swim around. Some times when I get up in the morning I plan my day out if its not too busy.

I like to play by myself sometimes like games called perfection or numbers up. Sometimes I lift weights with my brother. He takes karate and when I turn 12 years old I am going to take karate, because my brother-in-law is a black belt and he will teach me karate.

## Enterprise Column

This week "Operation Enterprise" takes a look at the use of discipline in the schools. Our guest, Mr. Morrison, a Junior High Teacher at Sir George Simpson, answers some tough questions from host Dale Chappel.

In "Suds" an epidemic of pneumonia strikes Albert Cane High School, however, Mrs. Freud, Ace and Richie manage to carry on, not to mention Gabby as she starts out on her suicide plans. Be sure to tune in Wednesday, at 9 p.m. on Cable 5.

Tickets for our roller skating trip to SPORTS WORLD on Wednesday, March 21, are available from Kathy at the Teen Centre, during lunch hours. Cost is \$4, which includes transportation, admission for two hours, and skate rental. Remember Sports World has a "no jeans" dress code.

Watch your mailbox for the new Enterprise newsletter which will be coming out this week. Reports on our February ski trip, an interview with CKST, St. Albert's new Radio Station and much more are included.

What are you doing on Tuesday evenings? Why not drop in to Sir Alexander Mackenzie School Gym between 8:30 and 10 p.m.? We've had some really good floor hockey sessions lately, but we're open to suggestions for any other activities you're interested in. Everyone is welcome, the only things you need are a pair of sneakers and lots of energy. See you there!

## The Skeptics Tank

By Vicky Knight

American television is slowly whittling at its own stature. The medium that proudly presented an evening of Chekov in prime time in the 50's is now primarily a vendor of mind candy for those who intellectual teeth have long since rotted away. However, the medium occasionally rises above this sub-cretinous level and produces some real food for thought.

Two documentaries aired last week illustrate why this format is becoming popular with the thinking public, who have become sated with mindless comedies that lack any vestige of humour. "Scared Straight" and the National Geographic Special on the plight of elephants, fully captured the attention of viewers, and held it to the last seconds.

The first detailed a program run by the inmates of Rahway Prison in the U.S. The program is aimed at the rehabilitation of juvenile offenders but beyond this common purpose, this program is radically different from the more conventional approaches of the various social services. The "lifers" originated the program, in which youngsters who have broken the law are brought to the prison and subjected to a long, abusive harangue by the inmates. The cons give the juvies the low-down (and that's exactly the right word) on life in prison, in the most blunt and terrifying terms. This stuff is straight from the source and cannot be dismissed as the empty threats of a concerned parent or social worker. This is the real thing

and its effect on the kids is electrifying. The cockiness apparent on their faces is markedly absent when they scurry away from the oppressive walls of the "joint" hours later.

"If you was in here blonde, you'd be my woman!," one con says to a smirking young lad. The tones drip malevolence and the leer hints at untold depravities. The kid's smirk vanishes, crowded from his face by flickers of fear. Abusive? Yes. Excessively so? No. This is an extreme and innovative approach that has one overwhelming argument in its favour: a rate of success that other methods cannot begin to equal. Out of one group of 17 juvenile offenders, only one committed another crime. She received a suspended sentence and then she too went straight as an arrow. Despite the permissive platitudes of the psychologists, it seems that in some cases, fear is indeed the key. The most dedicated social worker is no match for the grim truth from someone who has been there.

It would be a great thing if a similar program could be worked out with inmates of Canadian institutions. Such a program would be vastly cheaper than the endless parade of social workers, policemen, lawyers, and institutional workers that now work futilely to thwart juvenile crime. It would also save untold millions by reforming future criminals. However, the Rahway program was the brainchild of the inmates themselves, and any similar program would have to be initiated in the same way.

The other program was pure tragedy. A National Geographic special, it described the fate of elephants in various parts of Africa, which seems to have become too small to house both man and beast. In this case, the behemoths were trapped between poachers and angry farmers wielding guns. This latter group had taken up arms to protect their crops from the damage wreaked by grazing elephants. Several solutions had been tried and abandoned. An elephant drive was unsuccessful, as the elephants allowed themselves to be herded only so far before deciding to make a last stand. Finally, in some countries, the final solution was executed. Several hunters with high powered rifles surrounded two herds, and opened fire. The resulting carnage makes the seal hunt look trivial. The giant animals trumpeted madly, running in panic to avoid the zinging bullets. One by one, they

## ENTERTAINMENT Gazette

EDITOR - VICKY KNIGHT

were felled, like crumbling mountains. The adult elephants circled their young in an attempt to save them, but the hunt was remorselessly efficient. The adults were picked off and then most of the babies. It was a loathsome scene.

Both of these programs revealed the complexity and contradictions which are encompassed in human behavior. In the first, the evil cons emerge as the white knights, saving near-criminals from a life of crime. In the second, those who should plan for the welfare of all animal species end up as their murderers. A little planning a couple of decades ago would have prevented this slaughter. It was a presentation not easily erased from memory.

**BLEATS AND WHINES DEPT:** The title of the movie "Mean Streets" might well have been conceived by a pedestrian on St. Anne Street. It's a killer! An attempted foray to Grandin Mall along this route the other day proved to be an exercise in survival skills. When I wasn't leaping in the air like a deranged gazelle to avoid speeding vehicles, I was being patted with mud by passing dumptrucks on their way to Red Willow Park. (One of these mudwagons, coyly labelled "The Honda Kid" earned my undying bitterness. He seemed to think he was still on his Honda, not in a five-ton dump!) May I be the first of many to suggest a use for some of St. Albert's \$4 million surplus. Put in some sidewalks on St. Anne Street before the ranks of our pedestrians have been decimated! And they say they want people to get away from driving their cars everywhere...

## Six war years starts tomorrow

Northern Light Theatre has announced the second of its March productions. Shortly after "Love and Drollery" opens on the Art Gallery stage on March 8, the company will premiere a new stage version of Barry Broadfoot's best selling Six War Years in the Central Library Theatre.

Subtitled "Stories and Songs of the Second World War," Six War Years is the first production of Northern Light's newly-established Young People's Theatre, and will be performed daily for

Grades 8 to 12.

But this stirring theatrical collage is not for students only. Northern Light has scheduled a number of special evening performances for the public beginning March 15 so that the thousands of adult theatregoers who made Ten Lost Years one of the hits of last season may enjoy this new entertainment as well.

To create a history "written by the Canadian people," journalist Barry Broadfoot criss-crossed the nation posing one simple ques-

tion: "What did you do in the war?" Some 270,000 words on tape were whittled down to produce his tough and touching book. Now those many voices are heard again in Scott Swan's new stage adaptation.

Scott Swan directs the production, and Music Director Angela Gann has prepared several period songs.

Public evening performances of Six War Years will be presented on March 15, 16, 17, 22, 23, 24 and 27 through 31 at 7:30 p.m. in the Central Library Theatre.

In April, the production will move to the Edmonton Art Gallery Theatre for performances on April 7, 8, 14, 15, 21 and 22 at 7:30 p.m. There will be one special matinee for the public on Good Friday, April 13 at 12:10 p.m.

Tickets for the Northern Light Theatre production of Six War Years are on sale at all Bay ticket outlets (Downtown, Southgate, Londonderry - 424-0121), the Stu-

dents Union Box Office in the Hub Mall (432-5145) and the

Northern Light Theatre Box Office (429-3110). Theatre-

goers are advised to pick up tickets in advance.

## "Love and Drollery" review is delayed

Today's election marks the end of some hectic political activity in this and other constituencies. To cover all the action, Gazette staffers have been racing about faster than a speeding candidate. As a result, some regular duties have been temporarily postponed, including attendance at

Northern Light's "Love and Drollery." However, Vicky Knight will blissfully return to her regular chores tomorrow and the "Drollery" review will appear next week, March 21. The play is at the Art Gallery Theatre and will run until March 25.

# The Emeralds win double gold award

THE EMERALDS

Edmonton's popular dance group, The Emeralds, who have been named by the international press as the "world's leading old time dance band" have just learned that they have been awarded a double gold record for sales of two of their records. The presentation was made in a glittering ceremony at an international music convention in France. Accepting on behalf of the Emeralds was Jury Krytiuk, president of Boot Records Limited. The Emeralds are also Juno Award nominees for the third consecutive year in the category of "Country Group of the Year."

"The Emeralds" were formed in Edmonton in 1970, coming from a variety of musical backgrounds. Al Broder, the leader and saxophone player, had played in a variety of old time dance bands in and around the area. At one of the dances that he was playing at, he ran into Al Oswald. Oswald had played with various dance bands in his native Germany prior to moving to Canada 10

years earlier. After a discussion on the music business the two Al's could see that their likes and goals were the same. Broder decided to quit the band he was currently with and the two Al's formed "The Emeralds."

They recruited guitarist Dave Hnatiuk and drummer Ken Lord who had been kicking around with various groups and just happened to be looking for a job at the time. To round out the band Broder's brother-in-law, Wallis Petruk, was brought into the group. Petruk was also a saxophone player. He had previously played with such successful rock bands as the Nomads and Wes Dakus and the Rebels.

Constant rehearsals and a high standard of musical quality set by the band's leadership soon placed the newly-formed Emeralds as one of the leading bands in the Edmonton area. Their calendar was full of wedding and dance engagements. They decided to produce a custom record for off stage sales so that their fans could have a souvenir of an

enjoyable night out. Several pressings of this record were rapidly sold out and it was decided to do a second record.

Several original compositions were included on the second album including a tune entitled "Nepor's Theme." The tune came to the attention of GNP Crescendo Records located in Hollywood. Their representative, after hearing The Emeralds, decided to fly up to Edmonton and listen to them. The trip resulted in GNP Crescendo signing The Emeralds. Nepor's Theme and an album by the same name were released worldwide and sales were successful enough to warrant the release of a third album, "Dancing With You."

Because of the success of the records, the group found that the demand for personal appearances had increased rapidly and what had begun as a part time, weekend venture, was now becoming more demanding. Ken Lord, who had been studying at the University of Alberta while playing with "The Emeralds," won a scholarship at McGill University and dropped out in favour of pursuing his educational career. He was replaced by Don Remelka, who had played drums with Wallis off and on in the rock and roll days.

The distance between Edmonton and California made it hard to keep close communications between the group and their record company, so they decided to sign with a Canadian company, "but one that" had worldwide connections. After speaking to various Canadian companies, the group settled on Boot Records and an album entitled "Anniversary Song" was recorded and released. The album's sales superseded substantially the sales that "The Emeralds" had previously had and resulted in a Juno nomination for the group.

The group's scope of personal appearances was

growing. They travelled to Seattle to perform at the World's Fair, and did a guest appearance on the Herb Jepko Night Cap Show on KSL Radio in Salt Lake City.

In the summer of 1977 Boot Records released a second album, entitled simply, "The Emeralds." A single, "Iris Waltz" which was composed by Bev Munro, a popular D.J. at CFCW Radio in Camrose was released. It charted across Canada and was released worldwide, hitting the top of the charts in several territories. Album sales in their home province of Alberta took off like a rocket.

The next album to be released was entitled, Red Barn Reunion, in honor of The Red Barn dine and dance facility just outside of Edmonton. The Red Barn is the largest dance hall in Canada to hold regular dances and "The Emeralds" are the most popular band to play at The Red Barn. Sales on "The Emeralds" were continuing to build and they were now finding themselves appearing as guests on several television shows. Once again they were nominated for a Juno, this time as Canada's Top Country Group in 1977.

They have just completed yet another album, "Old Time Saturday Night." The Emeralds have not only received Gold Record status in New Zealand, but have done it twice over. In Australia their records have sold so well that a major television campaign is now underway promoting their product. Advance sales indicate that the product will go "Gold" in this territory, also. A contract has just been signed with a U.S.A. company for an album of "The Emeralds" to be marketed on television there. Mrs. Oswald Sr. is a proud mother because her son's records are being marketed in his native Germany, and back home the group continues to sell in massive proportions.

THE CITY OF  
**St. Albert**

## Notice Of Public Hearing

1. The Council of the City of St. Albert proposes to pass Bylaw No. 7/79 being a bylaw to rezone a portion of River Lots 41 to 44 inclusive, St. Albert Settlement, as shown on the attached plan

2. The purpose of the proposed bylaw is to remove the lands from Development Control and zone them to single family residential (R1b and R1c), multiple family residential (R3), commercial (C1), park (P) and institutional (SP); and to amend Schedule C of Bylaw No. 23/71 to permit the inclusion within the combined R1b and R1c areas of the following:

(a) A maximum of 24 lots having a minimum frontage width of 50 - 54.9 feet inclusive; and

(b) A maximum of 45 lots having a minimum frontage width of 55 - 57.9 feet inclusive;

but in no circumstances shall the amendment of frontage widths allow such lots to be less than fifty (50) feet in width

3. The proposed bylaw may be examined between the hours of 9 a.m. and 4:30 p.m. weekdays at the office of the City Clerk in City Hall, St. Albert. Enquiries regarding the proposal may be made at the Planning Services Department at City Hall, St. Albert.

4. Council will hold a Public Hearing on the proposed bylaw on **Monday, April 2, 1979 at 8:15 p.m.** in the Council Chambers, City Hall Annex, at which time any person claiming to be affected by the proposed bylaw shall be afforded the opportunity to be heard.

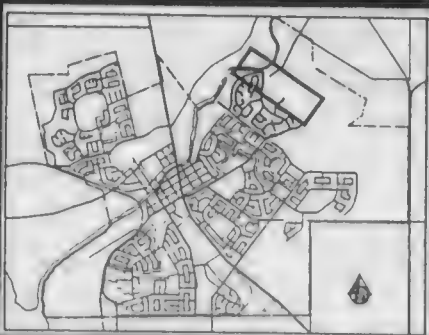

5. Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the City Clerk until 12 noon, Friday, March 30, 1979

6. A copy of this notice and sketch has been forwarded to each assessed owner within 200 feet of the area to be rezoned

## St. Albert Kiwanis Club presents "super concert"

The St. Albert Kiwanis Club is presenting their Music Festival "Final Night" concert at Sir George Simpson Junior High School, 50 Grosvenor Blvd., St. Albert, Friday, March 23 at 7:30 p.m. This will be a presentation of some of the best talent in St. Albert and Sturgeon district. The performers will be chosen after a week-long Festival competition including approximately 3000 contestants and promises to be an evening of splendid musical entertainment. The cost is \$1 for

adults and 60¢ for children. Tickets will be available March 19 to 22 at three St. Albert locations: V.J. Maloney School, Sir George Simpson School and the United Church. You may also purchase tickets at the door on performance night. For information call 458-0571.

Also, the public is invited to attend the daily sessions of the Festival competitions March 19 to 22 at the above named locations. Session times are 9:15 a.m., 1:15 p.m. and 7 p.m. For information call 458-7615.

## St. Albert Day Care Society

The St. Albert Day Care Society will soon have openings on its Board of Directors. Any members of the community who are interested in insuring the advancement of quality Day Care in St. Albert by becoming a Board Member, please phone 459-5380

## Annual Meeting

April 4, 7:30 to 9:30 p.m. St. Albert Day Care. Babysitters will be provided.

# "Streamers" held over until March 18

Streamers, the provocative, powerful play that has proven to be one of the high points of Theatre 3's current season is being held over until March 18.

Alberta theatre reviewers have been unanimous in applauding the play and the production:

The Edmonton Journal's Keith Ashwell:

"Theatrical Dynamite ... this is Theatre 3's most powerful production in many many moons ... the tensions created and maintained by director Keith Digby are tremendous ... the acting of the principals is razor-sharp in definition ... There is a tremendous volume of detailed characterization to admire in this explosive production."

The Edmonton Sun's Dave Billington:

"Streamers Shocks and Astounds ... last night Theatre 3 came up with the

kind of production which more than justifies their existence - it makes it mandatory ... Streamers is very likely the best play to come out of the U.S. this decade ... what makes this the total experience it is the always good, sometimes excellent and at times brilliant way director Keith Digby's cast performs."

The Calgary Albertan's Louis Hobson:

"Edmonton's Streamers Riveting and Polished ... Streamers is a very important play not only because of its themes which comment upon war, homosexuality, loneliness and racial equality but because it proves the stage and not the cinema is the most satisfying vehicle for performers and audiences alike. It takes a very special production to live up to these demands and Keith Digby's Streamers more than meets the challenge."

The St. Albert Gazette's Vicky Knight:

"Streamers: Best Yet This Season ... if you can only fit one play into your schedule this season, stiffen your spine and go to see Streamers. It's theatre at its naked, most compelling best ... I can say with certainty this is the most unsettling, powerful piece of theatre I have yet seen ... The Theatre 3 production spares no-one in its searing presentation of this organized madness."

C.B.C. Radio's (Edmonton A.M.) Colin MacLean:

"Rabe has written a tough play that alternates between human compassion and human brutality with stunning force ... Director Keith Digby has wrung from his actors performances of high level intensity. There is not a bad moment on that stage ... Streamers at Theatre 3 remains an angry uncompromising statement, well articulated by a talented and able company."

STREAMERS will be presented every evening (except Monday) at 8 p.m. with a final matinee on Sunday,

March 18 at 2 p.m. and the closing performance on Sunday, March 18 at 8 p.m.

Tickets are available at The Bay, The Hub and Theatre 3 box office.

## Music ...

as I  
hear  
it!

By Razbo

JOHN SCOFIELD LIVE an Inner City release, is a very powerful contemporary jazz album. You might remember John on the CARNEGIE HALL CONCERT album with Gerry Mulligan and Chet Baker, which was recorded on November 24, 1974. Since that time I haven't heard anything from this dynamic, "young" guitarist.

The album was recorded live at the Domicile in Munich (maybe that's where he's been hiding) on November 4, 1977 and released last year. Featured with Scofield is Richie Beirach on piano, George Mraz on bass and Joe LaBarbera on drums. Joe LaBarbera comes from a very talented family and has two brothers on the jazz circuit. Joe's main influence comes from Shelly Mann. He has played most notably with Gap and Chuck Mangione. George Mraz is a much sought after bass player, entering the league of Ray Brown and Ron Carter. I don't know anything about Beirach, but he speaks for himself on the album.

At times throughout the record it seems that John and Richie try to outclass each other, which leads to bad vibes. The quartet plays best as a group on "Gray and Visceral," a smooth number written by Scofield. It really suits its title. The other song on the first side is also written by Scofield and is entitled "V". It is a very loose and free composition, not to my liking. Beirach pounds the keys giving the cut a very harsh unpleasantness, which I'm sure contemporary jazz appreciators will enjoy. Mraz gets a chance to bend a few strings, and demonstrates

the clean, clear sound he has patented.

Richard Beirach demonstrates his composing talents on side two with "Leaving," a most interesting composition. It is a very expressive number and the quartet is tight, but the piano, while very powerful, is again not my style.

The last song "Softly As In A Morning Sunrise" is my favorite. Beirach shows his real expertise as he starts off this number. Then the whole group comes in so smoothly, it's a pleasure to listen to. Unfortunately, the piano doesn't do much for me once John gets rolling, as they once again duel for the spotlight. About halfway through, John cuts out and the trio is dynamite. Joe LaBarbera then gets his chance to show his stuff and he doesn't abuse the time, showing that he really knows his skins.

In all, John is a romanticist who has rediscovered the Jim Hall style, which takes a lot of dedication, self discipline, and knowledge of the guitar. His style is relaxed yet dynamic, definitely a guitarist to watch in years to come. Listen to him on this album when Beirach sits out.

#### VOTE NOTE

The last while the needle of my record player has been floating in the grooves of old Simon and Garfunkle tunes. In the song "Mrs. Robinson," Paul Simon gives us a view on elections ... "going to the candidate's debate, laugh about it, shout about it, when you've got to choose, every way you look at it you lose ..."

## Bon Accord Council urges conservation

Since metered water rates went into effect January 1, 1979, many questions have been received at the Village office with respect to water usage. The average residential usage for the months of January and February of this year was 43.23 cubic meters. If your household uses an amount far in excess of the average, perhaps the information contained in the following write-up will be of help in finding ways to eliminate waste of water and reduce charges. Please clip and save for future reference:

The installation of water meters for all customers, combined with a billing system which rewards those who use less water, is recognized as a basic component of any water conservation program.

The basic reason for metered water rates rather than flat rates is that water becomes a more apparent fact more in the mind of the user.

### A WAY OUT OF WATER WASTE

For at least three generations, water has been available to the householder at the flick of a wrist. The

result has been a series of water wasting habits in which we may not always be able to indulge.

Assuming that something so important as water comes from an endless supply can be a fatal mistake. Water wastage accounts for about half the volume normally used in our municipal water supplies.

It is not reasonable to run two gallons of water through the tap to get a one six ounce glass of water - but some people do it anyway. A pitcher in the refrigerator is just as capable of providing that cool refreshing drink.

Why run 40 gallons through the hose while only five gallons are needed to rinse off a car?

Sprinklers which throw half the water on the sidewalk and are operated during the middle of the day (when evaporation is highest) demonstrate obvious waste.

There are many activities that contribute to water shortages which are becoming more troublesome each year.

Following are some suggestions consumers could practice - especially during times of shortage.

1) Water lawns, gardens,

trees and shrubs only at night and no more than once a week. A one-inch soaking with a bucket or hand-held hose is preferable to sprinkling.

2) Wash automobiles, windows, sidewalks etc. with discretion.

3) Turn off water operated air conditioners and non-recycling ornamental fountains.

4) Operate automatic clothes and dishwashers only with full loads.

5) Locate and repair leaks in toilets and other water fixtures. For example, food coloring placed on the reservoir of a toilet will show up in the bowl without flushing if there is a leak.

6) Fill the sink, rather than let the water run, when washing or shaving.

7) Commercial customers could replace automatically flushing urinals with those which are flushed manually.

8) Shut off the outside tap, not just the hose nozzle, when watering is finished.

9) Delay installation of new sod and fertilizer until water shortages are over.

10) Mulch gardens with grass clippings to minimize evaporation and to control weeds.

### OUTSTANDING SERVICE REWARDED

Boy Scout Paul Graham received a leadership loop for outstanding service for his troop, Thursday. The loop makes him an assistant patrol leader, which isn't bad since he only joined the 1st Morinville Venturers Company in January of this year.

## Namoo student wins Provincial award

Six students in Alberta were selected winners for the best poems and short stories in the Education Week writing contest, writing on the "Year of the Child." Patty Cameron won the short story contest for Grade 7. Patty is 12 years old and is the youngest daughter of Mr. and Mrs. Evan Cameron of Namoo. She attends Namoo school.

During Education Week, March 5 to 10, the six winning poets and authors and their favorite teachers met in Edmonton. They received prizes at functions sponsored by Alberta Education, the Alberta School Trustees' Association (ASTA) and the Alberta Teachers' Association (ATA).

They were introduced to members of the Legislature, toured the Muttart Conservatory and Capital Cable TV and enjoyed dinner at the Chateau Lacombe.

### CELEBRATING THE INTERNATIONAL YEAR OF THE CHILD

The snow was blowing outside the schoolhouse. William didn't want to walk all the way back home. His house was a whole two miles from the schoolhouse. It was a long walk especially in the wintertime. He wished, like many times before that he could get a ride home with one of his friends. He especially wished his dad could pick him up but he was not very rich and they couldn't afford a car. William, although they didn't have a car, had the pleasure of knowing that his dad would be waiting outside the schoolhouse to walk him home.

William was the only child and his dad had taken care of him since his mother had died when he was six months old. His dad owned a mechanics shop two miles out of town. He got lots of business from people all around the area. William's dad wanted William to grow up to be an engine designer. Since William was a little boy he had spent all his time with his

PATTY CAMERON

dad in the workshop. William thought that was the only place for him. He had grown up in the workshop as if it were his playroom because if his dad hadn't taken him into the shop he wouldn't have been able to keep an eye on him.

When William went to school the next day his teacher explained the purpose of the "International Year of the Child." She said, "You must write an essay for me on this topic."

After he thought and thought he finally wrote:

Dear Sirs,  
This is supposed to be an essay but I couldn't write one so I write this:

I don't think they should celebrate a year just for us. It seems like my dad has made me feel like the child of the year every year!

Sincerely yours,

William Wright.

### YEA! GIBBONS

These youngsters were out cheering for their favorite team during Redwater's Invitational Basketball Tourney Saturday. Also coming along with the team boosters was Winnie, the team mascot.

### Bon Accord

## General plan has first reading

Bylaw #123, a bylaw to adopt a General Municipal Plan was given first reading at the council meeting held March 6, 1979. The plan closely reflects the information presented to the public when the planning strategy was discussed at the public meeting held November 28, 1978. The General Plan and

the bylaw are available for inspection at the Village Office during regular office hours. Representations to council concerning the General Plan will be heard at a public hearing on April 3, 1979. Please see the Public Notice in this week's Gazette for further information.

## New John Deere 22- and 27-PTO-hp Tractors can cut it anyway you like

Tractor with 72 Center-Mounted Mower

Four capacity-matched mowers give the 850 and 950 Tractors versatility for a variety of mowing jobs

Roadside municipal parks, schoolyards, wherever there's a mowing job to do, the 850 and 950 stand ready. Both are powered by 3-cylinder diesel engines. The 850 has 22 PTO horsepower, the 950 27 PTO horsepower. Four types of mowers are available: the 72 Rotary Mower with 6-ft. cutting width, the 205 Rotary Cutter with 5-ft. cutting width, the 25A Flail Mower with 6 1/2-ft. cutting width, and the 350 Rear-Mounted Mower with 7-ft. cutting width. One is just right for your needs.

See us soon for an 850 or 950 Tractor and capacity-matched mower. We also have implements for landscaping, farming, and utility work.

## Namoo News

By Norma Crozier

Namoo C.G.I.T. and Explorers will hold their spring tea on Saturday, March 17 in the Community Hall from 2-4 p.m. Baking, candy and white elephants will be sold and there will be a fish pond to entertain the young children. Admission is 50 cents per person. Come out and enjoy a cup of tea and

support the girls in this project.

Jack Harrold was guest of honor at a surprise birthday party on March 6 for the occasion of his 69th birthday. Jack lived at Namoo all his life until ill health forced him to retire, he now resides at the Angus McGugan home in Edmonton. Jack and his wife

Olive, flew to Ontario on March 8 to visit their daughters Pat and Sheila, their husbands and children. We wish him many more happy birthdays.

Congratulations to proud grandparents Clare and Marj Agar on the birth of a new grandson, Mark Edward arrived on March 8, weighing 7 lbs. 12 ozs., a second son for

Keith and Donna Agar of Cold Lake, and a little brother for Katherine and John.

Mrs. Viola Samis hosted a birthday party for her sister Mrs. Gladys McLay on Thursday afternoon, March 8 for the occasion of her 70th birthday. We all wish Gladys many more Happy Birthdays.

## Treat rapeseed for black leg

Alberta rapeseed growers are strongly advised to treat their seed for black leg regardless of whether it is commercial or certified.

Dr. Jack Horricks, plant pathologist with Alberta Agriculture, reports that a

virulent strain of black leg, which has limited rapeseed production in other parts of the world, appeared in Saskatchewan in 1975. About 17 percent of the fields in the east-central part of the province were infected by 1977.

Last year the infection had spread to 44 percent of the fields in this area even though weather conditions were not favorable to the disease.

So far the virulent strain of black leg has not been found in Manitoba or Alberta, but its appearance in these provinces will be only a matter of time unless rapeseed is treated every year, Dr. Horricks says. The disease, which is even more destructive than sclerotinia stem rot, is spread by spores in crop residues and by seed.

In Australia rapeseed production was almost wiped out until they developed a variety that is resistant to black leg. Plant breeders in Canada are using this variety to produce a resistant variety for this country, but it will be several years before one is licensed.

In the meantime, there are about seven products on the

market which contain benomyl or carbathiin, both of which destroy the black leg fungus on seed. Dr. Horricks stresses that rapeseed must be thoroughly treated for these products to be effective.

## Namao winter carnival very successful

Again this year's winter carnival was a tremendous success, even though the weather was a bit nippy. The weekend started off with the skating party on Friday night, which saw over 100 youngsters brave the cold. The highlight of the evening was the races. Winners received a free trip to the concession or a gift certificate from St. Albert's McDonald's for a "Big Mac."

Because of the cold weather the hockey and broomball games were cancelled on Saturday afternoon. Those who turned out enjoyed the skidoo races and the frolics of

the sleigh rides.

Over 400 people attended the family dance Saturday evening and enjoyed the music of the "Cimarrons." Numerous door prizes, donated by local businesses, were given out during the evening. The highlight of the evening was the announcing of this year's new queen, Pat Breckenridge. Reigning queen, Lori Pedersen, performed the ceremony of crowning the new queen. Pat then drew the winning ticket for the color television set. The lucky winner was Mr. Bernie McIvor of Calgary. Because of the tremendous job done by the candidates of

selling tickets, six additional \$50 dollar prizes were awarded. All six winners turned out to be residents of Edmonton. Many thanks on behalf of the Namao School and Community League to Pat Breckenridge, Leanne Sim, Bonnie Shultz and their managers for a job well done.

Flowers for the evening were supplied by Art and Pat Jepsen, owners of the "Rose House." Other donations were received from Johnny's Store, Namao Transport,

Jorgensen Electric, Namao Insurance, Carruthers Implements, Mullen Pump Service, T & D Storage, Kodiak Electric, Avon Representative, Sy & Ann's T-Shirts, Ward's Outdoor World.

Winners of the Poster contest held at the school were Tracy Gulage and Brenda Gillis from Grade 3; Kevin Zuidema from the Grade 2-3 class and Launa Callfas from the Grade 2 class. A big thanks to all the students who participated.

## Morinville Ice Revue March 25

The Morinville Lion's Figure Skating Club is proud to present their 65 skaters, ranging in age from 3 to 17 years, in a salute to the "Year of the Child."

The program includes a variety of numbers from children's fantasies to today's disco as well as a guest skater from the Royal Glen-

ora Skating Club in Edmonton.

This "extravaganza" will take place at the Morinville Ice Arena on Sunday, March 25 from 2 - 4 p.m. Admission \$2 per adult, \$1 per student, children under six free.

Plan a family outing for the afternoon and attend this entertaining event.

## Sturgeon Regional Recreation Council

**PHOTOGRAPHY CLUB IN MORINVILLE** - A photography club has recently been formed and plans to meet regularly, once a month in Morinville. This club is open to anyone who enjoys taking pictures, from the beginners to the advanced. The club plans to offer some form of special learning session as part of each meeting. Also it will serve as a chance for local photographers to get together and share ideas or problems, etc. The next meeting is scheduled for Tuesday, March 27 at 7:30 p.m., in the Historical Societies Building.

Everyone is welcome! For more information please phone 939-4317.

### JUST A LITTLE MORE

Some tiring action took place at the Morinville Mixed Bonspiel on the weekend. The above sweeping took place in a match between the Ryan Myer rink of Morinville, and Bob Savage's crew from St. Albert. Results of the spiel are in the Gazette sports section.

## Morinville Scouts group very active

On March 5 a meeting of the Cubs, Scouts and Venturer leaders, the section committee and parents was held in the International Building. Mr. Patrick Hudson represented the Legion, which is the sponsor of the scouting movement in Morinville.

Also present was Mr. Denny May, executive director of the Northern region, Mr. Dave Yaeck, assistant region commissioner and trustee of the Landing Trail District. These gentlemen presented guidelines and directives to the Scouting groups.

A group committee was elected with Dave Fookes as president, Audrey Graham as secretary and Denis West, treasurer. Two other members will be selected from the section committees of the

Cubs and Scouts.

This group is asking the co-operation and support of parents and volunteers for all activities that are anticipated.

Thursday, March 8, 16 Venturers and Scouts were initiated in the movement. The ceremony started with the presentation of the flags. The Canadian flag was donated by leaders Douglas Coughlin, Paul Labonte and Marcel Hamel. It was presented to Venturer Kevin Gusbrecht, by Douglas Coughlin. The Venturer flag was a donation of John-Walter Coughlin and was presented to Venturer Ronald Remillard by Marcel Hamel.

The leaders received their gold and brown kerchiefs from Section Committee President Leo Lalonde, and Secretary Janet Coughlin. The section committee received pins.

The Venturers and Scouts received their kerchiefs and wags. Kevin Gusbrecht, Gilles Remillard and Dave Graham received service awards.

Special awards were presented to Kevin Gersbrecht and David Graham. Assistant Scout Patrol service award was presented to Scout Paul Graham.

Leigh-Anne Graham was the first girl to be initiated as a Venturer, and it is hoped she will soon be joined by other girls.

The program concluded with slides of the proposed West Coast trip, which promises to be challenging with rough terrain, in beautiful, unspoiled wilderness.

A newsletter will be forwarded to all parents, regarding activities of all sections of the scouting movement.

## Morinville Memos

By Margaret Yacyshen

### INTERCLUB

The next meeting of Interclub will be held on Thursday, March 15 at 7:30 p.m. in the Historical and Cultural Centre. All clubs and organizations are reminded to send a representative.

### UNITED CHURCH WOMEN

The Morinville U.C.W. will meet at the home of Barbara Neumeier on Tuesday, March 20 at 8 p.m. All ladies are welcome, including newcomers. For further details please call Ces Brown at 455-8541 or Barbara Neumeier at 939-2536.

### AG. SOCIETY

At the Ag. Society meeting held on March 7, the 78-79 budget was presented and accepted. It has now been sent to the Recreation Board for approval. Details of the budget will be published once approved.

The Ag. Society reports that the ice plant will be turned off on April 8 and the ice in both the curling rink and arena will be removed.

Kitchen help is required on March 30, 31 and April 1 for the Pee-wee D Provincial hockey tournament. Anyone willing to volunteer for any of the days is asked to call Ross Quinn at 939-4091.

### RUMMAGE SALE

The Brownies and Guides need rummage for their annual sale to be held on Wednesday, March 21 from 9 a.m. - 9 p.m. at the Legion Hall. Donations may be dropped off at 9917 - 97 Street or 10206 - 103 Street. It is requested that wearable items of clothing be separated from rags.

### BOARD OF TRADE NEWS

The Board of Trade reports

a very good total of paid-up membership with 53 people to date this year. The most recent activity was the sponsoring of the Election Forum held in Morinville on March 6.

At the latest Board of Trade meeting, Sergeant Howard Lamb introduced John Brecknok, of the Crime Prevention Branch of the RCMP who spoke on fraudulent cheques.

The next project for the Board of Trade will be organizing a one-day clean-up in Morinville. The date this year has been set for May 12 by Outdoors Unlimited.

### SKATE-A-THON

A total of 116 skaters participated in the skate-a-thon held in the Morinville Arena last Sunday. If all the pledges are honored, a total of \$9,080.83 will be collected.

Unfortunately, there were a couple of casualties during the day. One skater suffered a sprained ankle and Rolly Boulanger fell and cut his open, but because of some para-medical assistance, was able to complete his 100 laps.

The Ag. Society would like to thank all the skaters, sponsors, and volunteer help who made the day a great success.

Pledge money may be turned into Quinn's Plumbing at 10033 - 100 Avenue as soon as collected or to Mrs. Marion Scott between 4 - 7 p.m. on April 7 at the Arena. Each skater will be presented with a skate-a-thon badge when their money is turned in. Special prizes will be awarded after April in the different age groups for the

most sponsors and for the most money collected.

### PROVINCIAL HIGH SCHOOL BASKETBALL

G.P. Vanier will be hosting the 2A high school girls basketball provincials on March 16 and 17. Eight teams are representing the various regions in Alberta and they will be coming from Rimby, Fairview, Picture Butte, Myrnam, Sedgewick, Bow Island and Morinville.

Games start Friday, March 16 at 4 p.m. and continue until 10:30 p.m. The opening ceremonies will take place at 7:30 p.m. with Vanier's first game immediately following. Then on Saturday play will resume at 9 a.m. and end with the finals scheduled for 8 p.m.

### SENIOR CITIZENS SOCIAL

Members of the Rendez-Vous Club are reminded of the St. Patrick's social evening to be held at the Clubhouse on Friday, March 16 commencing at 8 p.m.

Anyone with news items may contact Margaret Yacyshen at 939-3047, Mail Box 100, Morinville or stop in at 9715 - 99A Avenue.

## Legal Locals

By Carmen Morin

The C.W.L. will be holding a St. Patrick's bake sale and raffle on Saturday, March 17 at the Co-op.

There will be a family dance sponsored by the Legal Kindergarten at the Community Hall. This will be held on March 17 starting at 6 p.m. Music will be supplied by Peter's Stereo. Admission is \$2.50 per person or \$10 per family. There will be door prizes and an Italian raffle for adults and children. Refreshments will be available. Coffee and lunch will be served during the dance.

Results of the Mixed Bonspiel held February 26 - March 4:

The Grand Challenge went to the Ray Norum rink over Remi Bolle rink. Ed Royan rink took third place and Leon Garneau fourth.

Second event was won by Wayne Saville rink over John McKenzie rink. Duane Montpetit placed third over J. P. Letourneau who placed fourth.

In the third event Andy Klassen won over Richard Maurier and George Rockwell defeated Real Durocher.

Congratulations to all the winning rinks and thanks to all who entered the bonspiel. The next bonspiel will be a closed spiel from March 16 to March 27 followed by our final (wind-up) spiel (open spring spiel) March 28 to April 7.

Anyone wishing to curl in the next two bonspiels please contact Pat Keane at 921-2262 or Laurette Rivard at 961-2494 to register.

Please keep in mind that during the Open Spring Bonspiel each rink is required to have at least one member of the opposite sex on the team, playing in third position.

On March 5, approximately 100 people gathered at the Community Hall to try their luck playing bingo, sponsored by the Lions Club. The lucky winners were: Louise Roulston and J. P. Letourneau, Mrs. Leo Charrois, Louise Roulston, Collette Bilodeau, Cecile Berube

and George Howard, Anna Brisson, Anna Brisson, Harvey Tauturn, Raoul Boisvert, Rose Bilodeau, Doreen Auger, Janice Oligny. Theresa Oligny and name was not available.

Cecile Berube was the lucky winner of the bonanza bingo consisting of \$88.

The jackpot was not won this time around, so why not try your luck again on March 19 with the jackpot sitting at a tempting \$220 with 57 numbers to be called. This sure would buy a nice Easter bonnet.

Something new for Spring - Sewing Rainwear Workshop. This is a course for people who have a good knowledge of sewing and one can sew either a jacket or coat for a child, woman or man using water proof fabric.

Norma Clark is the instructor for this course. She will be teaching techniques in seam finishes, collar and/or cuff application, set in sleeves or raglan sleeves, zipper application, using fusible interfacing, buttonholes, linings etc.

Class minimum of eight and a maximum of 12 is required to be able to hold this course. Registration fee is \$10 per person plus facility fee depending upon where the course is held.

Please contact Carmen Morin at 961-3869 if you are interested so that dates can be confirmed.

At least seven more people are required before the "Spring Decorating with Wall coverings" course can be held. This course has been rescheduled to April 23 from 7:30 to 10 p.m. at the Recreation Centre. Registration is \$3 for the course plus \$1 facility fee. The instructor is from Tower Paint and Wallcoverings - St. Albert. This course is for both men and women.

Alphonse and Yvonne Badry are pleased to announce the arrival of their son, Michael Thomas Denis, weighing 8 lbs. 10 ozs. on March 5 at the Royal Alexandra Hospital in Edmonton. Michael is a brother for Doreen. The proud and happy grandparents are Mrs. Alice Schaub of Edmonton and Mr. and Mrs. Alfred Badry of Donalda.

News of the Legal Canadians is found in our Sports Section.

**IF YOU CAN'T SKATE . . . JOG**  
Erling Hansel jogged the one hundred laps around the Morinville rink during the community's Skate-a-thon, Sunday.  
Photo-Al Popil

## Horse Hill Community League

By Esther Wallbank

The next Community League meeting will be held on Tuesday, March 27, at 8 p.m. in the meeting room.

A well planned and well conducted silk flower arranging class taught by Kay Goggerla has recently been completed, and was very much enjoyed by those who attended. Quilting classes are now underway.

A window treatment and drapery construction class is already planned for next fall. This course is very worthwhile and useful. Samples of several treatments can be made or an actual window treatment can be completed. Instruction includes pinch pleat, swags, Russian and Austrian panels and Roman shades. If you are interested, please call Barbara Hostyn now, rather than waiting until early fall. The instructors are very busy, and it is only fair to give them advance notice if classes must be cancelled due to not enough registrants. There are a few people who have taken the course before and wish to take it again, and some beginners. The district home economist would like to see some more beginners, to

make the class really worthwhile. Barbara's number is 998-2739.

**PLEASE NOTE** - Baseball registration is scheduled for Monday, March 19 in the meeting room and Wednesday, March 21 in the gym, from 6 - 7:30 p.m. Advance

registration is very important so that we know what teams to register when the league meetings take place. Community League membership (\$6.) is necessary for children to register. A parent's signature is required along with the child's health care number and birth certificate.

## Villeneuve 4H

By Suzanne G.

On February 14 the Villeneuve Clothing Club held their junior and senior speak-offs. Sandra Sheehan placed first in the senior division, and Suzanne Gagnier second. The junior winner was Joanne Antherian and second, Sheila Bokenfohr. I would like to thank our three judges, Mr. Real Durocher, Elaine Soetaert and Kathy Lema, also our timekeeper Michele Gagnier.

On February 26 Villeneuve hosted the Senior District speak-offs. First place was

awarded to Sandra Sheehan of Villeneuve and second was Sheryl Soetaert of Riviere Qui Barre. The three judges were Ray White, John Hass and Gary Webber. The timekeeper was Steila McAnally. We would like to extend our thanks to these four people. Sandra Sheehan went on to win the Regional Speak-offs.

On March 10 the Villeneuve Clothing Club is going on a day tour. On March 24 there is curling and on March 25 bowling. April 9 will be our Achievement Day. We hope to see you there.

## TOWN OF MORINVILLE

A growing community of approximately 3,000 population located on Highway 2, 20 miles north of Edmonton, requires:

### EQUIPMENT OPERATOR

Applicant should be in good health and experienced with Public Works equipment such as graders, backhoe, front end loader and sweepers. Must be able to service the equipment and may be required to perform other duties.

### LABOURERS

Applicant must be in good physical condition in order to perform duties normally associated with this job.

### MACHINE CLERK

Applicant should be thoroughly familiar with the operation of mini-computers and with municipal accounting procedures. May be required to perform general office duties.

Excellent fringe benefits provided.

Please send resume outlining experience and qualifications to:

Paul E. Brochu, Town Manager  
P.O. Box 420  
Morinville, Alberta T0G 1P0

## NOTICE TOWN OF MORINVILLE

Applications are now being accepted for the position of Enumerators to conduct the Town's Census, enumeration commencing on or about April 1, 1979. Apply in person at the Town Office between 9:00 a.m. and 5:00 p.m. Monday to Friday.

# Redwater Report

By Kerri Johnson

## WINTER CARNIVAL

March 2, 3 and 4 saw the coming and going of Redwater's annual winter carnival. This year, as last, the carnival was organized by the Kinsmen Club of Redwater to raise money in the fight against Cystic Fibrosis and increased public awareness of this serious hereditary condition.

The dance on March 2 at the Multiplex, which kicked off the weekend, was, unfortunately not as successful as hoped, but fine weather helped make the Winter Games on Sunday a fun day enjoyed by a large crowd of both young and old.

The Winter Games included several athletic events such as cross country skiing and snowshoeing, plus various novelty events including log sawing, pillow fights, tea boiling and nail pounding.

In addition, horse drawn sleigh rides were available for the children and an excellent hockey game took place Sunday afternoon in which the Edmonton N.H.L. Oldtimers showed an enthusiastic crowd an exhibition of entertaining hockey. "Team Redwater," at the same time, should be congratulated for putting up a courageous battle, all for the sake of community spirit.

The Kinsmen Club of Redwater would like to thank all of the local businesses, groups and individuals for donating their time and money to the winter carnival. It has often been said that a community's wealth is not measured in its material riches, but rather in the ability of its people to participate together for a common worthwhile purpose. When that purpose is for something outside their community, such as the fight against Cystic Fibrosis, it reflects on that community as not only being wealthy, but also very proud and very concerned.

Thanks for your help, and thanks for caring.  
Kinsmen Club of Redwater.

## TOWN MEETING

The annual meeting for the Town of Redwater will be held Monday, March 19, at 7:30 p.m. at the Multiplex. At this time, the annual report for the town will be presented to the people by the town administration. It will also be an opportunity for the citizens of Redwater

to voice their views and ask questions on the operations of the town. According to a local councillor, this meeting has the promise of being most enlightening. The public is urged to attend and take part.

## FIGURE SKATING CLUB

There will be a last general meeting of the Redwater Figure Skating Club on Wednesday, March 21, at 8 p.m. at the Multiplex. Parents please attend. Photos of the Ice Show may be picked up after the meeting.

## ST. PATRICK'S DAY TEA

The Brownies and Guides of Redwater are holding a St. Patrick's Day tea and bake sale on Thursday, March 15 from 2 - 4:30 p.m. at the Legion Hall. The price is 75¢ per person and a door prize will be awarded. Come on out and meet your neighbours!

## AMBULANCE BRIGADE

The regular meeting of the Ambulance Brigade, slated for Monday evening, March 19, has been cancelled due to the Town meeting on the same night. The next meeting will be on Monday, April 2 at the Pioneer Club at 7:30 p.m.

Two R.N.'s are required for training and to advise the brigade in medical areas. This is volunteer work and will only take up a couple of hours of your time per week at the most, so if you can help out, please call Bill Johnson at 735-3093.

## PANCAKE BREAKFAST

The Redwater Ambulance Brigade is sponsoring a pancake breakfast at the Legion Hall on Saturday, March 17 from 7 - 10:30 a.m. This is an excellent opp

portunity to come out and meet some of the members and see what they are doing. They would also like to hear any comments you might have. The prices are only \$2.50 for adults, \$2 for students and senior citizens, \$1.50 for children 6 - 12 years, and under six is free, so come on out and show these people that they have your support.

## EASTER BAKE SALE

An Easter bake sale of cooked and frozen pyrogies will be held on March 30 from 2 - 6 p.m. in the Redwater Ukrainian Church basement. Please bring your own containers. The tickets for the afghan to be raffled will be sold at the door.

## FARMERS' MARKET

The next Farmers' Market will be held on Saturday, March 17 from 12 noon to 4 p.m. at the Legion Hall in Redwater. There will be a

good selection of jewellery, petit point, pictures, Nellie's pyrogies, house plants, handicrafts, plus many other items. Featured this month is Rose Strembiski's bake sale of prune buns, poppy seed buns, chiffon cakes, and various pastries. Here is your chance to fill your deep freeze with these excellent baked goods. You might even win a door prize!

## UKRAINIAN DANCING CLUB

The Redwater Ukrainian Dancing Club will hold their concert on Sunday, May 6. Instructors are Ihor Hlushak and Cathy Ozubko.

## VOLUNTEER FIREMEN

Volunteer firemen are required by the Town of Redwater. If you are interested in this area of community service, come on out to one of the meetings which are held every Monday at 7 p.m. at the Fire Hall.

# Gibbons News

By Karen Hogg

## IN SYMPATHY

Sincere sympathy to Darryl and Debbie Michaud on the passing of their newborn twin boys last week. Sincerest of sympathy from the community to you.

## COPS!

Newswriters are always the last to know! When writing out the senior citizen awards I made an error. The seniors to receive this prestigious award were Mrs. Clara Williams and Norman Knott. Mr. Wilf Oliver was recipient of the award a few years back. Sorry Mr. Knott!

## FIREMAN'S BALL

On Saturday, April 7,

Gibbons Volunteer Fire Department are holding their third annual Fireman's Ball, for those who were lucky enough to get tickets last year, (they sold out very quickly) the Fire Department are looking forward to seeing you again. To anyone who has not yet attended one of these functions, do yourself a favour, and come out, we promise you that you will enjoy yourselves.

The format this year is Cocktails 6:30 - 7 p.m., Dinner 7 to 8:30 p.m., Dancing 9 p.m. - 1 a.m.

This year the band is the "Twiliters," and to those people who attend dances in the area, they will recognize the band as one of the frequent performers here in Gibbons, and also at the Red Barn.

To give the firemen and

their wives more time to meet people, we have asked the "Red Barn" to cater for us. To those who have eaten at the Red Barn, you know what a good meal you get there.

So we have two ingredients for a good time, good band, good food, all we need is you. The cost for this night is \$16 per couple and tickets are starting to go now.

See any of your firemen for tickets, or Chris Jones. See you there.

## MINOR SOCCER

Now that winter is almost finished, (thank goodness) Gibbons Minor Soccer Association is looking for coaches. If you don't know anything about the game, but are interested, there are clinics to help you.

If we have enough coaches every boy and girl will have the opportunity to play. We now have three grounds and would like to see them all in constant use.

If you are interested in coaching at all, please phone Geoff Jones at 923-2343.

## MINOR HOCKEY DANCE

Support Minor Hockey and your Hall Board by attending

the St. Patrick's Day dance on March 17. Dancing to the Chwill Brothers from 9 p.m. to 1 a.m. A hot lunch will be served.

These groups have hard working executives to keep their organizations going - let's show our support and thanks by attending their dance

## GIBBONS CUBS

The Gibbons Cub Pack will be holding a Bottle Drive on Saturday, March 24 from 9 a.m. til noon. Gather up all your bottles as all contributions will be appreciated. If you do not wish to be disturbed that morning, or will be away, please place the bottles in boxes, on your front steps and the boys will pick them up.

With the season of spring cleaning fast approaching the Cub Pack wish to inform all Gibbons and area residents that they will gladly accept all rummage anyone would wish to donate to the Pack. This rummage to be sold at the Park's upcoming "Spring Extravaganza" April 21 in the Community Hall. A turkey shoot, rummage sale, bake table, plant sale, fish pond etc. are planned for on this date. Please contact 923-2109 or 923-2091 for information as to where to leave your rummage donations.

## SKATE-A-THON

Skaters would you please hand in your collected money as soon as possible. Money may be handed in at Willow

Ridge Realty, Nan's Better Meats or to JoAnne Roe. Once again, thanks to everyone who helped to make the skate-a-thon a success.

## Gibbons Recreation News

The Gibbons Recreation Board held a Snowball Wrap-up and Special Budget meeting on March 7. Prior to the special budget meeting, a preliminary budget was submitted from the Snowball. All members felt the weekend was a success and are looking forward to an even greater success in 1980.

The Board then moved on to discuss the general areas of concern and the 1979 budget submissions to date. Some of the major points were:

\*Posting of signs designating recreational areas.

\*Advertising and a quarterly newsletter.

\*A welcoming committee for new residents, informing them of community contacts.

\*The development of the 47th Street park adjacent to the Trailer Court.

\*Development and maintenance of sports grounds and equipment.

\*Gravel parking lots at arena.

\*Minor sports: equipment and costs.

\*Greater facility use during the summer, i.e. The arena.

The programming people from Sturgeon Recreation are invited to attend the next Board meeting on March 21 at 7:30 p.m.

For those interested in what their Recreation Board is doing within the community, further information will be published after each meeting.

The regular meeting of the Board is the third Wednesday of each month.

For persons wishing to take an active part in the community, their help would be greatly appreciated.

For further information, please feel free to call: Lloyd Houston 923-2183; Rick Milligan 921-2490; Tina Meagher 923-2592.

## Last Round - Up

[Gibbons Senior Citizens]

A regular meeting of The Last Round-up was held in the Dew Drop Inn March 9.

There were 41 members and three visitors present. Olga Krebs and Laura Leek from Fort Saskatchewan, Mary Fraser of Chilliwack, B.C., who is visiting her sister Katie Petherbridge.

Whist was played for grocery prizes with the following winners: Ladies high - Pansie Davidson; Men's high - Gordon Spence; Ladies consolation - Margaret Brooks; Men's consolation - Jean Blom.

Emily gave a prayer for Bert and George Petherbridge who passed away lately. All members joined in the Lord's Prayer.

Cecile Strawson gave a report on the Sturgeon

Senior Citizen's Advisory Board meeting held in Morinville, March 2.

We then enjoyed our pancake supper. The ladies in charge of making and cooking the pancakes were assisted by George Knight, Gordon Spence and Jim Shaw. The pancakes were delicious. Thank you ladies and gentlemen.

A special thank you to Alvin for washing the dishes and others who assisted in other ways. It was a very enjoyable and happy afternoon.

Barbecue tickets are available from Emily Oliver 923-2370 or Sheila Crosbie 923-2446.

The next regular meeting will be held Thursday, March 22 at 1:30 sharp. The Dew Drop Inn will be open March 15.

# Bon Accord News

By Sadie Allen

## TAKE HEED

NOTICE to residents of Bon Accord -- Parking in front of fire hydrants is becoming an increasing problem in the village. The Highway Traffic Act states that no vehicle shall be parked within 15 feet of a fire hydrant or within 15 feet of a point on the curb closest to the hydrant. In the future license numbers of vehicles violating this act will be taken and given to the RCMP and the registered owners of the offending vehicles will be charged under the Highway Traffic Act. Drivers should pay special attention to the hydrants located at the school and in front of the community hall. Your co-operation in this matter is appreciated.

Submitted by  
Deputy Fire Chief Ken New

## GOLDEN GEMS

The Golden Gems Senior Citizen's Club held their annual meeting in the Jewel Box on Wednesday, March 7. Elected to the executive were: President Alice Schneider; V.P. Joan Hill; Secretary, Jean Sloan; Treasurer, Elmer Brennan; Committee Convenors: phoning, Martha Samis; entertainment, Nell Schneider; sports, John Bland; crafts, Hilda Milligan and food, Sadie Allen. Again an invitation is extended to seniors to join club members in a pot luck supper this Friday, March 16 at 5:30 at the Jewel Box. No charge for the supper, just bring something to eat and enjoy a social evening with friends. Bingo will be played following the supper. For those who don't care for bingo, other entertainment is available. Tickets for the barbecue and dance at the Red Barn on June 6 are now available from Joan Hill, 921-3674.

## FAST STITCHERS

"How I feel about Public Speaking or Demonstrations" was the roll call at the last 4H Fast Stitch Clothing Club meeting held on March 10. Many interesting comments were heard. Old business discussed dealt with the bake sale which was held on March 4. This very successful fund-raising project netted a total of \$81. We would like to thank all the hard working mothers and all the customers who supported us. The club was very proud to have one of our members, namely, Simone Rivet do so well in district finals, placing first at Legal and in the regionals at Edson where she placed third. Congratulations Simone. New business concerned the Regional 4H Bowling to be held at Rosslyn on March 25. Anyone needing a ride should be at the Bon Accord Hotel between 10 and 10:15 a.m. Bowling

starts at 11 a.m. Also Club time on CFRN TV on March 25 at 9 a.m. will have tips on Achievement Day. Our own Achievement Day will be held on April 21. By the next meeting which will be held on April 7 from 1 - 3 p.m. at the hall, all members are asked to have their project books and sewing projects completed so that we can plan our decorations for Achievement Day. This report was submitted by club reporter, Cindy Danake.

## MRS. JORGENSEN PASSES

Mrs. Mildred Bacon Jorgenson of the North Shore, died February 22 in Kootenay Lake District Hospital, aged 75. The Jorgensons' spent a good many years in Bon Accord where Bill was grain agent for Gillespie Grain. They were staunch supporters of the United Church and Mildred was an ardent Women's Institute worker.

## LADIES' HOCKEY

March 17 and 18 will feature the women's hockey tournament sponsored by the Bon Accord Raiders. Make sure you are there to support our home team.

## BINGO

The bingo jackpot is now \$235 in 57 numbers. Winner of the bonanza was Helen Aberdeen. Free passes to bingo on March 18 were won by Jean Sloan, Dolores Franchuk and Danny McKay. Play bingo, Sundays at 7:30 in the Bon Accord Community Centre.

## ANNUAL MEETING

The annual meeting of the Bon Accord Community Centre will be held in the hall Monday, March 19 at 8 p.m. A good turnout is essential. Be interested!

## FISH AND GAME

The Sturgeon Valley Fish and Game Association will meet in the Bon Accord Community Centre on Tuesday, March 20 at 7:30 p.m. Someone from the Edmonton Trout Club will be present to give a demonstration on fly fishing. You are invited to bring your rods and flies. A reminder also, of the ice fishing derby to be held on March 17 at Half Moon Lake. This event is open to the general public. Contact Ken New 921-3762 or Brian De Leeuw, 921-3887 for information.

## AMBULANCE

Volunteers for daytime service with the ambulance emergency service are ur-

gently needed. Anyone with even a few hours to spare during the week would be greatly appreciated.

## SNOWMOBILE RALLY

A very successful snowmobile rally was held on March 4 with 179 registered. Winner of the pokerhand was Ivy Sprague of Edmonton, second money was won by Derek Stobbs of Bon Accord and third by John Turych of Edmonton. The Ag. Society wishes to extend a sincere thank you to the checkpoint personnel, flag men and all others who helped with organizing and carrying out the event with a very special thank you to all those who patronized it. The Society invites you to attend next year.

## SPRING SPORTS

With spring nearly upon us, the soccer, baseball and softball season is fast approaching. Anyone interested

in joining in these sports is asked to fill in their registration form before March 22, and return to the Arena on March 22 at 7 p.m. or mail in before the above mentioned date to Box No. 327, Bon Accord.

There is a need for coaches, ball umpires and soccer referees. If you can help in any of these areas please check on the registration form, the proper area.

Registration must be completed by March 22, either by mail or by bringing your registration to the Arena March 22 at 7 p.m. Registration forms have been distributed through the school or may be picked up at Village office.

**PLEASE NOTE:** Please make sure your child is registered by the above date as the teams must be made up and your child might be disappointed that he or she did not get on a team. Please mail your cheque in advance if you cannot make it in to the registration.

## Gibbons Library News

About this time of year children in kindergarten and the primary grades come home from school with the news that they are to look for signs of spring. Encourage your youngster's awareness of the changing seasons by making use of some of the excellent nature books available at the Gibbons Public Library.

Young children will enjoy the "Let's Look At" series, which includes stories and pictures of insects, animals and birds. The books are colorful and entertaining as well as informative. Also in the Junior Non-fiction category is "Looking at Nature" by Elsie Proctor. This is another well illustrated book covering many aspects of nature: birds and animals, plants, leaf formation, seed scattering, soil, air and water, rock and fossils, among others.

"The Kingdom of the Forest" is a photographic essay of the self-renewing life of the forest. "Life Before Man" by Duncan Forbes tells of the formation of fossils. "A Book of Reptiles and Amphibians" by Charles Paul May gives information on these species.

One book in the Adult Non-fiction department which would be of interest to both adults and adolescents is the Reader's Digest publication "Joy of Nature - How to Observe and Appreciate the Great Outdoors." This book gives more detailed data on geological formations, cloud identification and the stars as well as covering the plants, animals, fish and birds.

There are also craft books in the library for those who like to make use of cones, seeds and other natural materials.

Whatever your interest - whatever you'd like to know more about -- you'll likely find it in the library. Annual membership fees are \$1 for adults, 50¢ for children. Hours are 1 to 3 p.m. Wednesday and Saturday, from 7 to 9 p.m. on Monday, Tuesday and Thursday evenings.

## VILLAGE OF BON ACCORD PUBLIC NOTICE

Pursuant to the provisions of Section 153 of the Municipal Taxation Act, R.S.A., 1970, Public Notice is hereby given that the Council of the Village of Bon Accord intends to undertake the construction of street improvements (pavement, curbs and gutter) as a local improvement. The estimated cost of the aforementioned local improvements is \$238,000.00 repayable over a period of 20 years at a rate of interest not exceeding twelve per centum (12%) per annum and to charge the land abutting that portion of the street or place wherein the local improvement is made at a uniform rate of \$5.25 per front foot of frontage for street improvements (paving, curb and gutter) over the said period of 20 years.

All costs in excess of the aforementioned rate per front foot will be borne by the Village at large.

The location of the proposed local improvements is as follows:

### A. STREET IMPROVEMENTS (paving, curb and gutter)

ON	FROM	TO	SIDE	ASSESSABLE FRONTAGE
49 Street	51 Avenue	54 Avenue	East	542.0
			West	485.8
53A Avenue	49 Street	47 Street	North	695.0
			South	629.0
48 Street	51A Avenue	53A Avenue	East	24.0
			West	545.5
51A Avenue	48 Street	47 Street	North	333.8
			South	345.0
47 Street	The lane south of 51A Avenue	54 Avenue	East	863.6
			West	48.0

**TOTAL ASSESSABLE FRONTAGE..... 4511.7**

Notice is further given that unless the majority of the owners of the lands that may be assessed therefor, representing at least one-half in value thereof as aforesaid, petition that Council against it within two weeks after the last publication of the Notice, the local improvement may be undertaken and the cost thereof assessed by the system of assessment referred to in this Notice.

If no petition sufficiently signed has, within the time limited in that behalf, been presented to the Council against the local improvement or assessment aforementioned the Council may undertake the proposed local improvement at any time within three years of the giving of the Notice.

Date of the last publication of this Notice will be the 21st day of March, 1979.

Dated at the Village of Bon Accord this 14th day of March 1979.

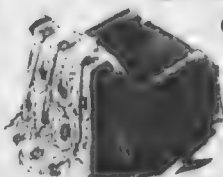

Mrs. Jean Chubb  
Secretary/Treasurer

## Baseball registration extended

The St. Albert Minor Baseball Association has extended its registration period through to March 17. The final date for registration had been originally set for March 10, but S.A.M.B.A. President Lorne Ross states that the extension was made to accommodate those who were still involved in other activities. Registrations may still be turned in at the two

Sports Shops in town, the Community Services Offices, or at the registration table set up at the Grandin Park Shoppers Mall on Saturday, March 17.

While the final numbers have not been tabulated, all indications are that the total registration will be significantly up over previous years. This makes it doubly important that all registra-

tions are received by March 17. The league must have sufficient time to order equipment and establish its diamond requirements if everyone is to enjoy a successful season.

In addition to allowing S.A.M.B.A. to order its equipment requirements, successfully completing the registration will allow the Division Heads to draw up

the teams and get them on the diamonds for practice as soon as the weather permits.

President Ross states that S.A.M.B.A. will always try to accommodate late registrations, but those that register late may have to play on teams not in their own area and may, in fact, not get an opportunity to play if registration reaches beyond the expected levels.

## Saints advance to semi-finals with win over Suns

St. Albert Junior Saints, with Dave Inch scoring three goals, defeated the visiting Taber Golden Suns Sunday evening and won their best of

seven series in five games along with the right to advance into the Alberta Junior "A" Hockey League semi-final double round-ro-

bin series with the Calgary Canucks and Fort Saskatchewan Traders.

Calgary Canucks, first place finishers in the regular season had a few problems with the sixth place Red Deer Rustlers but managed to win their best of seven series in four straight.

Canucks had wins of 3-2, 5-2, 7-2 and 7-6 over the Rustlers with the 7-2 win being awarded to them by the A.J.H.L. after the game had been suspended with a few minutes left in the

second period. Referee Joe Wensink apparently had to suspend the game after a brawl broke out leaving the Rustlers short of players. Fines and suspensions will no doubt be forthcoming from league headquarters.

Traders had little trouble with the fifth place Calgary Chinooks as they won by scores of 8-4, 5-3, 9-8 in overtime and 7-5 in the final.

Golden Suns managed to win only one game in their series with the Saints by way Please Turn to Page 12

## Soccer and fastball registrations

The Hercules Sports Association is holding the first of two registration nights Thursday, March 15, at the Wild Rose School, 58 Grenfell Avenue.

The registration will take place in the lunchroom between 6:30 p.m. and 8 p.m. Hercules are accepting registrations for both soccer

and fastball, and urge parents to make sure kids register early, as there are limits to the number of registrations being taken for soccer.

Another registration will be held next week, same time, same place, on Thursday, March 22.

## Marty O'Kell

### On Sports

SO THERE WON'T BE AN 'NHL TEAM in Edmonton next season.

I wonder if it's a good thing. To me, watching the New England Whalers and the Quebec Nordiques and the Winnipeg Jets is far more entertaining than watching some of the NHL teams.

Going to see the Edmonton Oilers play the Washington Caps doesn't sound too thrilling. Or the Los Angeles Kings, St. Louis Blues, Colorado Rockies, Pittsburgh Penguins, Minnesota North Stars. And thank God, we won't have to stomach the Vancouver Canucks...and the Chicago Black Hawks.

The Toronto Maple Leafs would be an attraction for the first few games, but after a while, the Leafs would be just another mediocre club.

Teams like the Montreal Canadiens, the New York Islanders and Rangers, the Boston Bruins and the Philadelphia 'Flyers wouldn't be here very much in the year. Maybe once or twice.

We would have our fill of the NHL's worst franchises. Let's face it, the World Hockey Association has something the NHL lacks...COMPETITION.

Watching some of those Wednesday Night Hockey telecasts makes me ill. The St. Albert Junior Saints could give the Canucks a run for their money.

The merger between the NHL and the WHA will happen some day, but for now, hockey fans in these parts, at least, will be treated to some great hockey action. Bring on the Jets, the Whalers, the Nordiques, the Stingers from Cincinnati and the Baby Bulls from Birmingham. The hockey will be worth watching.

THE EDMONTON DRILLERS soccer club, also owned by the Oilers big man Peter Pocklington, might have some good crowds after all. John Short, PR man for the Oilers and the Drillers, told me that interest is very high in season tickets for the new team. I won't divulge any figures, but you may be surprised at the number of tickets that will be sold before the Drillers officially take to the soccer pitch in mid-April.

From my past experience from watching various Dutch teams, I would say they provide an exciting brand of soccer. The Edmonton Drillers have several Dutch players, along with a top Dutch coach, Hans Kraay. That means, I think, the Drillers will be out to fill the net with soccer balls. The Drillers should be a very competitive team.

The Gazette will cover the Drillers, as soccer is a big sport in St. Albert and the outlying areas.

THE ST. ALBERT SUMMER GAMES people are about two weeks away from having many of their plans finalized, so for the time being, the Gazette will take a breather on the Summer Games stories. But don't despair, in April it will be "full speed ahead."

OYSTER SHUCKING is not as easy as it sounds. I got my first taste (bad word) of shucking oysters on Friday at the Edmonton Sportsman's Show at the Gardens. The idea was to shuck a dozen of the little beasts, putting the shells in one bucket and the innards in another. Jim Cochrane of the Journal won our event, and he also went on to win the whole show. I placed fourth in the Friday preliminary. Dave Cutler, who works at Ched in the off-season when he's not kicking field goals for the Eskimos, finished second that night. Dale Sande of CKST made it to the finals on Sunday, but placed fourth, good enough for a couple of fins in prize money.

The media event, as always, is lots of fun. But I think it was rigged. Cochrane has done this before...and I, well, two of my oysters were welded shut. That explains my fourth place finish.

## BOEING, BOEING . . .

Speedy forward Mark Magnan (15) becomes air borne as he hurdles over Suns goaltender Lee Pickett in a game played in St. Albert Sunday night, won 7-2 by the Saints.

Photo by Al Popil

### "I THINK THIS IS GOING TO HURT"

The effects of an excellent hip check by Saints Mike Taschereau (22) are about to be felt by Suns Will McGinnis (3) in a game won Sunday night by the Saints 7-2 in the fifth and final game of a best of seven series won by the Saints. Troy Murray (18) is on his way to retrieving the puck. Saints are now in the round robin series with Fort Saskatchewan and Calgary Canucks with the Saints travelling to Calgary Friday and at home Saturday to the Traders.

## NOW LEASING ST. ALBERT RETAIL — OFFICE

J.K.T. Contracting - The first builder in Campbell Park is setting a high standard. A showplace of their ability as quality builders. Of special benefit to the fast growing Residential and Industrial area of the North East St. Albert. Good road access will also make it available to the entire city and Edmonton users

Fully air conditioned space. Suitable for bank or credit union, family restaurant, insurance or real estate office, stereo shop, automotive parts and accessories, carpet or floor covering, etc. Offices are suitable for general or professional use.

The rates are a challenge to today's inflationary prices.

### COMMERCIAL INDUSTRIAL DIVISION

## Saints

Continued From Page B 11 of a 6-3 win in Taber in the third game.

Canucks, Traders and the Saints will now enter into a double round-robin series with the top two teams meeting in a best of seven series for the league title.

The same three teams also met last year in a similar series with the Traders finishing on top with a three and one record while the Canucks took second as they split their four games. Saints won only one of four and were eliminated from the final series.

The round-robin series starts this Friday with the Saints travelling to Calgary and the full schedule is under a separate story ... see - SAINTS OPEN PLAYOFFS FRIDAY.

St. Albert's series with the Taber Golden Suns on a game to game basis follows:

#### GAME ONE

Saints allowed Rick Wentz to score the opening goal of the game early in the period but roared back with five straight goals to take a 5-1 lead after 40 minutes of play in an opening 6-1 win. Ken Solheim paced the Saints with a pair of goals including the winner with singles going to Pat Poulin, Mark Magnan and Dave Inch. Brian Ford had an outstanding game in goal for the Saints blocking 21 shots in a penalty free game which no doubt set an A.J.H.L. record.

#### GAME TWO

St. Albert took a two-game lead with a come-from-behind 5-3 win as they came up with three unanswered third period goals. Norm Flynn and Chriss Jette gave the Suns a 2-0 first period lead

only to see Brian Shaw and Troy Murray tie the game midway through the middle frame. Dean Kress put the Suns on top late in the period but third period goals by Jeff Marshall, Mark Magnan and Solheim gave the Saints a 5-3 win.

#### GAME THREE

Saints travelled to Taber for the third game and after coming from behind a three goal deficit to tie at three all ran out of legs in the final period and lost 6-3. Jin. Sinclair, John Jacobson and Dale Setoguchi put the Suns ahead 3-0 before Dave Inch, Steve McKenzie and Brian Shaw replied for the Saints. Doug Korman, Lloyd McDonald and Setoguchi scored in the last six minutes of the third period to give the Suns their only win of the series.

#### GAME FOUR

For the second time in the series and undoubtedly an A.J.H.L. record was set with both teams again playing a penalty-free contest which the Saints won 5-3. Referee Ted Woolfrey had an easy time with both clubs that saw St. Albert score three goals in the second period. Claude Bara, Mark Magnan, Pat Poulin, Ken Solheim and Dean Dachyshyn scored for the Saints while Rick Weist with a pair and McDonald replied for the Suns.

#### GAME FIVE

The line of Dave Inch rookie Breen Neeser and Guy Bohmer picked up 12 scoring points in the Saints 7-2 win with Inch blinking the light three times. Bohmer added a pair and Neeser, playing in his first Saint game since early in the season, scored once and added three assists. Mickey Volcan scored the other St. Albert goal.

## Saints open round-robin Friday in Calgary

The opening game of the Alberta Junior "A" Hockey League semi-final round-robin series will get underway this Friday, March 16 with the St. Albert Junior Saints travelling to Calgary for a game with the pennant winning Canucks.

Saturday night the Saints will be at home for a game with the rival Fort Saskatchewan Traders who recently took a pair from the Saints in the last two games of the regular season.

Sunday's game will see the Canucks going into the not-so-friendly confines of the Fort Saskatchewan arena which will be the second game for all three teams.

No games will be played Monday but Tuesday will see the Canucks in St. Albert while Wednesday the Saints will be in the Fort. The final game of the six game series will be in Calgary Thursday with the Canucks hosting the Fort.

The two teams with the best records will then enter into a best of seven series for the A.J.H.L. title which was won last year by the Canucks.

Saints will be out to improve on last year's round-robin series which saw the same three teams playing with St. Albert winning only one of four games and placing last.

All St. Albert home games will start at 8 p.m. and will be broadcasted by C.K.S.T. sports director Al Coates.

Away games will also be on the air-waves on 1070 and will start 10 minutes before each face-off.

78 McKenney Avenue  
St. Albert, Alberta  
T8N 1L9

# Plant your company where it has the best opportunity to grow.

## Campbell Industrial Park St. Albert

### Talk about opportunity!

Situated in Alberta's newest city, Campbell Industrial Park offers more than just prime space; it offers potential.

With the Edmonton labour force right on our doorstep, labour is no problem. And St. Albert also has an estimated labour force of 10,000 eager beavers ready to apply themselves to working with you. Our population will at least double in the next ten years, as will that important local labour supply.

That means a steadily increasing labour supply and a growing customer base for you.

It also means potential for continuing growth for your company.

And don't worry about your key people. Access from Edmonton to the Park is so convenient they should welcome your decision to relocate in St. Albert. And once they have seen what the City of St. Albert offers to residents in terms of services and lifestyle, your key people will very likely see the advantages of moving with you.

St. Albert is growing fast and you know what that can mean to the value of your property tomorrow. Talk about an opportunity for the company which establishes itself in this market today!

### Talk about price!

If you've been checking prices in Edmonton, you'll be pleasantly surprised when you talk price with us in St. Albert.

For starters, your initial cost per acre will be considerably less in St. Albert than in any comparable industrial park in Edmonton.

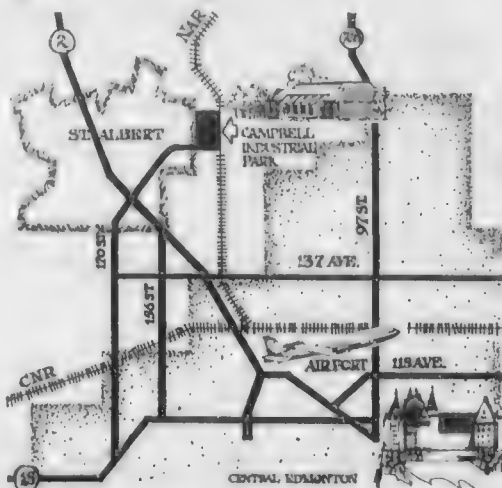

But that's not all.

Because the City of St. Albert operates our municipal utilities system on a non-profit basis, you will also pay less for these services. Our most recent survey showed you would pay less than half as much.

And there's more.

Your taxes will be less in St. Albert. In most cases, a lot less.

So, as a good businessman you just can't afford not to talk price and costs with us. We can show you how Campbell adds up to a very good deal, right from the start.

### Talk about location!

Agreed, price is important.

But when you're looking for the right place for your company, it's not the only thing. Location is vital.

And we've got just the spot for you.

Campbell is located on the east side of St. Albert just two miles from Edmonton's northwest industrial area.

Rail serviced lots with spurs provided are available. And Campbell is within transfer limits to both C.N. and C.P. railways.

The proposed Edmonton area ring road will be just 1/4 mile south of the park. And although modern truck and commuter routes now provide good transportation in all directions, plans are also moving right along to make it even better.

We think you'll agree that Campbell Industrial Park is in the right place for you now, even better tomorrow.

### Talk about service!

When we talk about service we're not just referring to the fully serviced lots you demand from a first class industrial park. Campbell is first class, fully serviced all the way.

The kind of service we're talking about here is the 'bending over backwards to make you happy' service we are anxious to provide to you and your company.

Because now that Campbell Industrial Park is ready for you, we're ready to talk business. And good service is good business.

You'll find that, like you, when it comes to business we're all business.

**For more information on Campbell Industrial Park  
and the opportunity it presents for your company, please call  
Dale Huntingford, City of St. Albert Business Development at 459-6601.**

**St. Albert**  
The Other City

# Skating pop concert time changed

All CFSA skaters please note the change in your season wind-up party. It is

now to be held on Sunday, April 8, from 2:30 - 6:30 p.m. at Akinsdale arena. Are your

solos ready? Spectators are welcomed. The Nationals party re-

mains the same as was scheduled. Friday, March 30, from 4 to 6 p.m. at the

Perron arena. Since this is during Spring Break, please contact Marilyn Lambourne

(459-3502) and let her know whether or not your skater(s) plan to attend. If you would take the time to do this, it will minimize the telephoning required for efficient and money-saving planning.

Application forms for the CFSA Spring School have been delivered. These registrations should be brought in by March 16. They can be brought in to the Clubroom upstairs at Perron arena.

We have a new volunteer with a new idea in this club. Janet Anderson (459-5178) will take phone numbers of people who have skates for sale. She will record size, condition, price, make of boot and make of blade. People wanting to buy skates may also phone her for information about the skates for sale, and then she can refer the buyer to the seller. This sounds like a terrific idea! And also a good way to be prepared early for the next season! Thanks, Janet.

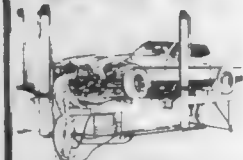

The Bursary Fund Super Skate is being held in Jasper Place Arena, Thursday and Friday, March 29 and 30, beginning each evening at 7:30. The rehearsal is on Thursday, 10 a.m. to 2 p.m. Pre-sale tickets are available from Gerry McLeod (458-0518) or participating skaters. Tickets may also be purchased at the door, students 14 years and under \$1.50 and \$3 for adults.

The Free Style Competition at Sherwood Park, open to all categories, will go ahead on April 14. Brochures will be out today. This is the latest word. Thanks to Jacque Malinowski for making the necessary contacts to make it possible.

Congratulations go out to Kristine Phillips, who won her Harris Tango Badge at the Tango Centralized Test Day. This is a compulsory dance which must be passed before a skater can continue any other dances. Good for you Kristine!

High blood pressure won't "just go away." It can lead to heart attack and stroke. See your doctor and follow his advice.

need collision repair?  
**RELAX!**

We've got the  
**Chief E-Z-Liner**

This is today's most modern system of automobile body and frame repair.

So advanced the E-Z-Liner combines scientific repair principles with a precision multi-pull concept.

And the results? A vehicle that is repaired factory new above and below the surface!

For a free estimate come in or call today. Then relax.

## Oilers maintain hold on top spot

Edmonton Oilers continue to hold down top spot in the exciting World Hockey Association and are out in front by three points, thanks to a splendid performance in goal by Eddie Mio as the Oilers blanked the Birmingham Bulls 4-0 Sunday in Birmingham.

Fourth place Winnipeg Jets helped out the Oilers cause with a 7-2 win over the red hot Quebec Nordiques, who also lost Saturday by a 5-2 score to Cincinnati.

Nordiques are in second place with New England Whalers in third with 68 points, two ahead of the Jets.

Oilers have games in hand on all of the other five teams including one on the Whalers, two on the Jets and a whopping four with the Nordiques.

The shut-out was the second of the season for Mio, who was in only his 15th game of the season for the Oilers while Dave Dryden was taking a well deserved rest. Mio blocked 25 Bull shots including a number of excellent saves in the open-

ing period when he was tested 15 times.

Sensational rookie Wayne Gretzky set up Brett Callighen's 18th of the year early in the second period for the winning goal and then assisted on Blair MacDonald's 30th goal with four seconds left in the game.

Gretzky leads all Oiler scorers with 33 goals and 47 assists and is tied with Marc Tardiff for fifth place at 80 points in the overall league scoring race. Not a bad year for the 18 year old.

Oilers sixth road trip in 11 nights was played last night in Cincinnati, although the outcome was not available as the Gazette went to press.

Nordiques will be in town Friday night for an 8 p.m. start while the same two teams will be at it again Sunday afternoon at 2:30.

Following the Sunday game Oilers will have only five home games remaining and will be away from home for 10.

### NO STOPPING THIS STINGER

Cincinnati Stinger Dave Forbes was intent on carrying the puck all the way, but Oiler netminder Dave Dryden wasn't going to have any part of that plan. Edmonton lost last night to the Stingers 5-1. The Oilers next home game is Friday when they take on the Nordiques.

## Hits, runs and errors

**From the Alberta  
Baseball Association**  
The following are some  
excerpts taken from the  
Alberta Baseball Association  
newsletter "Hits, Runs and  
Errors," which may be of  
interest to many St. Albert  
and Sturgeon baseball types.

### 1979 EXECUTIVE

Bob O'Brien of Barrhead  
was re-elected President of  
the Alberta Baseball Association  
at the Annual General  
Meeting in St. Albert on  
December 10, 1978. He  
defeated former president Al  
Wilson of Edmonton in a two  
way battle for the presi-  
dency.

The following are your  
A.B.A. Executive for 1979:  
Vice President Elmer Schielke,  
Provost; Past President Al Wilson,  
Edmonton; Commissioner Walter Cleland,  
Bow Island; Umpire in Chief Nick Shmyrko,  
Waskatenau; Coaches Clinic Co-ordinator Orv Franchuk,  
St. Albert; Publicity Director Rich Schuchard,  
St. Albert; CFAB Representative Ron Hayter,  
Edmonton; Secretary-Treasurer Delmar Glaser,  
Medicine Hat; Zone 1 Director Albert Holmes,  
Brooks; Zone 2 Director Herb Johnson,  
Drumheller; Zone 3 Director Vic Kuzek,  
Calgary; Zone 4 Director Orest Chomyc,  
Provost; Zone 5 Director Lou Rondeau,  
Barrhead; Zone 6 Director Roy Haugh,  
Edmonton; Zone 7 Director

Mike Franchuk, Wandering River; Zone 8 Director Jim Cramer,  
Fahler and Calgary Communicator John Martens,  
Calgary. Playoff Committee -- The 1979  
Playoff Committee consists of Bob O'Brien,  
Barrhead; Elmer Schielke, Provost; Orest Chomyc,  
Provost; Lou Rondeau, Barrhead and Roy Haugh,  
Edmonton.

### UMPIRE CLINICS

Ed Shaw of Leduc has been appointed Umpires Clinic Co-ordinator for the A.B.A. He successfully concluded an Instructor's Clinic in St. Albert on January 26 and 27 by bringing in Ontario Baseball Association Umpire in Chief Dick Willis of Toronto to conduct the instructors clinic. Mr. Willis is an active umpire having taken his training through the Major League Minor Leagues throughout the state of New York. He proved to be very adept in training instructors who can pass this knowledge on to umpires attending our various levels of clinics. In attendance were instructors Joe Arisman of Calgary, Clarence Metzger of Beiseker, Jim Clare of Grimshaw, Paul Riopel of Morinville, George Ellen and Brian Keith of Rochester, Bob Steward of Stettler, Len Garin, Deputy Umpire in Chief of Pickardville and Umpire-in-Chief Nick Shmyrko of Waskatenau.

Mr. Shaw is requesting that centres or organizations wishing to have Umpire Clinics to contact him by March 15, 1979 at the following address: Ed Shaw, Alta Baseball Association, Umpire Clinic Co-ordinator, 3505 - 43 Street, Leduc, Alberta T9E 3E2. Phone Res: 986-5160 or Bus: 462-4244.

### COACH OF THE YEAR

Laurie Maxwell of Westlock captured the 1978 Ted Rudd Coach of the Year Award. Laurie spearheaded the Canadian Bison Championship held in Westlock. He also managed and coached the Westlock Astros Bison team to the silver medals in the Canadian Championship. The award was presented to Laurie at the Annual Meeting by A.B.A. Coaches Clinic Co-ordinator Orv Franchuk.

### A.B.A. TO HOLD CASINO SWEEPING CHANGES IN FUNDING

In order to raise funds to financially assist baseball teams and hosting centres, the A.B.A. will be holding a Casino at the Northgate Entertainment Centre in Edmonton on April 9 and 10. If the Casino is successful in 1979, the A.B.A. will provide over \$25,000 directly to team travel and hosting centres. Beginning at Zone finals, the A.B.A. will pay

predetermined Umpire fees and funding for baseballs to hosting centres. Starting at Interzone, teams travelling to interzone playoffs will be paid travel expenses which will be pro-rated. This will be funding in addition to umpire fees and baseballs in all categories up to and including Junior from Casino profits. Teams and hosting centres above Junior Division will be provided funding from the A.B.A. general revenue.

The A.B.A. provided travel assistance and hosting grants of over \$11,000 in 1978. With a successful casino this amount can be increased to over \$25,000 in 1979.

For example, should a centre wish to host a Provincial Midget Championship and has been successful in bidding upon the championship, the A.B.A. will pay a predetermined amount for umpire fees and provide funding for a predetermined number of baseballs, in addition to providing financial assistance to teams travelling to the championship. Furthermore, should a centre be delegated by the A.B.A. Playoff Committee to host a Zone or Interzone playoff, the hosting centre need not worry about payment of umpire fees and baseballs. The A.B.A. will provide certain funding for these items.

Also \$4,800 has been budgeted to assist teams travelling to Interprovincial Championships in the form of training camp grants.

Monies have also been allocated by the A.B.A. to centres hosting Western Canada and National Championships up to \$1,000 unconditional grant for each event. The A.B.A. has bid on hosting Western Canada Bison and Bantam Championships in addition to National Senior and Midget Championships. Sites for these championships will be selected by the bid system.

## Soccer coaches needed

The Hercules Sports Association is sponsoring a Level 1 coaches clinic this weekend, March 17 and 18, and there is room for some more people interested in learning some of the finer points of coaching a soccer team.

The Alberta Soccer Association is sending an instructor to the clinic, and if there is not a sufficient number of people willing to take the course, it may be cancelled. The course costs 10 dollars, and registrations are being taken at the Community Services Office on Muir Drive.

The clinic will run from 9 a.m. to 5 p.m. Saturday and Sunday.

# Angels and Westlock battle in Provincials

The CKST Angels midget team played two games on the weekend, both against Westlock in Westlock.

One was a league game, while the other was the first game in a two-game total goal series in the provincial playoffs.

The Provincial game was played Friday night, with the two clubs battling to a 4-4 draw.

Westlock opened up the first period with a couple of goals midway in the frame. The Angels Doug McCarthy hit the scoreboard with six minutes remaining, assisted by Dennis O'Neill and Rick Nelson. McCarthy scored with a nice hard slapshot from the slot.

In the second period,

Westlock scored again to take a 3-1 lead, followed by a Jamie Sander goal two minutes later. Mike Murphy passed the puck to Sander after he stole from a Westlock player. Seconds later, Murphy added a goal of his own from the slot, with assists going to Dave MacDougall and Sander. Westlock scored their fourth and final goal of the game in the dying seconds of the period.

In the final frame, St. Albert came out and tied the game at 4-4 six minutes into the period on a goal by Blaine Malanchen. Malanchen, who just came off the injury list, was assisted by Don Trembath and Trent Parayko.

The Angels lost the ser-

vices of defenceman Murray (Mr. Cool) Pennington with cracked ribs. Hopefully, Murray will be back in time to catch some more games this season.

The next provincial game will go on Thursday, March 16, at the Perron arena, with the contest starting at 7 p.m.

On Sunday, the Angels were back in Westlock for a

league game. The CKST club was totally frustrated by the officiating, losing 5-2. Many fans present felt the referee's calls were a little suspect to say the least.

Scoring for the Angels was McCarthy, who picked up both CKST goals. O'Neill assisted on the first one, with Mike Carwell getting a helper on the second.

**THAT'S MY BALL!**

That's partially what the game of basketball is all about, possession of the ball. Above, a brave player snatches the ball away from a Stardust Girl during the two teams' match-up. The Stardust Girls swept away their opponents 8-2 Saturday.

## Third annual interschool gymnastics competition

Once again, the St. Albert Gymnastics Club is sponsoring an Inter-school Gymnastics competition for boys and girls in Grades 2 - 6. The elementary schools will be entering two teams in each age category. One category will be for those who participate in gymnastics outside of school and the other for those students who have only taken gymnastics at school.

It is the philosophy of the St. Albert Gym Club that gymnastics should provide

"fun, fitness, fundamentals and participation." We like to pass this onto the schools and try to help them develop their programs. We hope that this competition will help to do this and provide encouragement for many students.

The competition will be held on Sunday, March 18 at Paul Kane High School. Grade 2 - 3 compete from 9:30 - 11:30; Grade 4 - 5 compete from 12 noon - 2 p.m., and Grade 6 compete from 2:30 - 4 p.m.

# Pontiacs defeat Leduc in "cliffhanger"

The Ron Hodgson Pontiacs emerged victorious in one phase of Juvenile A action but "spun their wheels" in game one of Hwy. 14 league semi-final playoffs.

The Pontiacs topped the Leduc Stingers 7-4 last Thursday at the Perron arena, winning the Zone 3 championship in the two-game total-goal series by a narrow 11-9 margin. However, Leduc will be back on March 23 in the Provincial tourney. The Stingers qualify through the "back door" as runner-up, with St. Albert hosting the big affair.

Monday saw the Enoch Icemen, the visitors in the opening game of the best of three series in league playoffs, skate away with a 4-3 win in a lack lustre contest. The fourth place Icemen were worthy of their win, and certainly do not look like the same crew that the Pontiacs handled with ease most of the season.

The Pontiacs travel to Enoch tonight for the second game of the short series, and needless to say, have their backs against the wall in this one. Third game, if necessary, will be played in St.

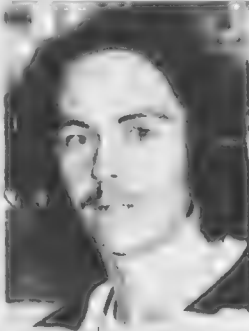

Albert, but the date and time was not available at press time.

## ZONE 3 TITLE FOR PONTIACS

The game had the atmosphere of a key match where the losers would be hanging up the blades till next fall. The Stingers were a fired up crew, and forced the Pontiacs to the limit before accepting the runner-up position in Zone 3 playdowns. Leduc carried a one goal lead into the Perron arena by virtue of a 5-4 home ice win in late February.

Jeff Harmon fired the winner with 37 seconds remaining, blinking the red light on a perfect goal-mouth pass from the stick of line-mate Cliff Greening. Greening had gained control of a loose puck in the centre ice area, streaked in along the right boards and spotted Harmon in the clear in front of the Stinger cage at the last split second. Hard working

John Provencal sunk the insurance tally into an empty net with 16 seconds on the clock.

JOHN PROVENCAL  
3 points against Leduc

Kent Middleton gave the locals a 1-0 margin at 7:07 of the opening period with Bob Crawford assisting. The visitors got that one back early in the second stanza, and the score remained knotted till Todd Winquist's tally at 12:34 with help from Colin Tooth and Middleton. The Stingers Glen Wyatt tied the game at 2-2 seconds later, taking advantage of a Pontiac defensive error. He fired a quick shot past Brent Galbraith, who was guarding the twine for St. Albert. Before the period of fast, end-to-end action had ended, Keith Heyburn fired in a rebound with Bob Fellows and Harmon assisting, while Leduc tied things up again at 3-3 with a goal by Randy Parker.

John Provencal put St. Albert ahead by one in game action and a series tie at 4:07 of the third with Colin Parayko drawing an assist. Defenceman Brad Hancock's bullet drive seven minutes later made the score 5-3, but Leduc's Wyatt blasted one into the Pontiac cage at 16:05 to tie the series again.

Several close calls at either end set the stage for Harmon's series winner and

sent the home team faithful home "buzzing" and making inquiries on a pre-sale of tickets for the March 23-25 championships, to be held right here in St. Albert.

## ICEMEN TAKE SERIES LEAD

A few late season additions to the Enoch lineup has added some muscle to their attack, and they kept the locals disorganized through most of the game. The Pontiacs enjoyed several manpower advantages, but the powerplay was inept to say the least.

JEFF HARMON  
Fires Winner

Provencal's forechecking resulted in an unassisted goal at 4:38 of the opening period to give St. Albert a short-lived lead. The Icemen took a 2-1 lead by the midway point on tallies by George and Aldred.

Murray Riddell evened the count early in the second on a deflection, with Greening and Heyburn assisting. Aldred got that one back at 6:23 on a solo rush to put Enoch ahead 3-2, which stood up till the sandwich session buzzer sounded.

Harmon picked up a Bob Fellows rebound midway through the third to tie the game at three, but the visitors snuck one into the St. Albert net behind Scott Gannon at the 12:11 mark

after some hot action in the Pontiacs end.

Getting back to the St. Albert powerplay, the statistics pretty well told the whole story with Enoch picking up 18 of 27 penalties called. Riddell's goal was a power-play effort, but that one was the extent of the damage playing shorthanded one, and even two men, for several minutes in the last two periods.

**PONTIAC PASSES:** St. Albert coaches Harmon and Sage would not make any alibis, but the absence of Colin Tooth, Hancock, Wade and Middleton hurt them in the Enoch loss. These two coaches will be masters in line juggling by the end of the season, as a complete roster has been as common as solar eclipses. One bright spot of late has been Ken Young centering the line of Parayko and Provencal, particularly in the win over Leduc. The trio complement the checking game, and have been staying out of the sin bin more than usual. Late season addition Bob Fellows has been seeing a lot of action on defence lately and is fitting in very nicely in the usually short staffed blueline brigade.

## Fishing derby on Sunday

The St. Albert Fish and Game Association is sponsoring its annual fishing derby at Lake Wabamun on Sunday, March 18, between the hours of 7 a.m. and 4 p.m. Participants entering the fishing derby are required to pre-register at the main pier at Lake Wabamun. Fees will be \$2 per person or \$5 per family. Non-members as well as members are most welcome.

Free coffee and donuts will be served. Prizes will be awarded in the junior and senior categories. All winners will receive their prizes at the next general meeting of the St. Albert Fish and Game Association on April 10.

## Peewee A finals on weekend

The Bay and the Sturgeon Sod Busters advanced from semi final action to the finals in the Kinsmen Peewee A playoffs.

The Bay defeated the Pro Western Plastic Pellets 6-2 and 6-0 in their two-game total goal series on the weekend.

The Sod Busters doubled Sturgeon Electrical Supplies 4-2 on Saturday, and edged the same team 6-4 on Sunday

to win the series 10-6.

The two teams will play a best of three series, beginning Saturday at 9:30 a.m. at the Akinsdale arena. Game two will go Sunday at 10:45 a.m., also at the Akinsdale arena. If a third game is necessary, the two teams will meet for the tie-breaker on Thursday, March 22 at the Perron arena. Time for that game will be 8:30 p.m.

## Nu-West Canadians advance to Provincial playoffs

Saturday night the Nu-West Canadians played to a 10-9 decision in favour of Spruce Grove in the Akinsdale Arena. The Canadians still advance to the Provincial playdowns in Lloydminster March 23-24-25 due to their previous 8-5 win in the two-game total goal Zone 3 playoff series.

The Canadians loss was their first in regular season play and provincial playoffs. The game was a hard hitting and penalty filled affair.

The Canadians lost one of their star players early in the second period when he was given a match penalty for a questionable slashing call.

St. Albert opened the scoring early in the game but Spruce Grove went ahead shortly after with two good goals. St. Albert evened the score 2-2 but before the period was over Spruce Grove went ahead 3-2.

In the second period

Spruce Grove opened the score, but then St. Albert took over and scored five goals in quick succession ending the second period with a 7-4 score in favour of the Canadians.

In the third period Spruce Grove scored two goals when both teams were playing two men short before St. Albert again got on the scoreboard. Spruce Grove then took over when the Canadians started to play defensive rather than their usual offensive brand of hockey. Spruce Grove scored four unanswered goals before the Canadians with one minute left in the game scored their last goal making the final score 10-9 in favour of Spruce Grove. The Canadians earned the right to go to Lloydminster for the finals in the provincial by coming out ahead in the two-game total goals by a 17-15 total score.

## GEARING UP FOR A NEW SEASON

The karting season will be starting in April, but the local go-karters will be displaying some of their mini-machines this weekend in the Grandin Shopping Centre. The picture above shows some intense racing at the St. Albert Trail Go-Kart track that took place last year.

## Kart Club on display

The Kart Racing Association of Alberta was formed in the late fifties by a small group of racers, running on parking lots and wherever possible.

In 1960, the St. Albert Trail Go-Kart track was built, and from then on, it has been the home track for sprinting.

When Speedway was built, it was apparent that it was a fast type track, and therefore required a lay down Kart, which is now called Road Racing.

The club will be on display this Friday and Saturday at Grandin Shopping Mall.

The club meets every second Monday of the month

at the Gas Company, 112 p.m. For more information P.O. Box 7249, Station M. Street and 106 Avenue, at 8 you can write to: K.R.A.A., Edmonton, T5E 6C8.

## FRIESEN REAL ESTATE LTD.

### SENIOR SALESMAN

The Management of Friesen Real Estate takes great pleasure in announcing the promotion of.

BOB PENNER

to the position of SENIOR SALESMAN. Working out of the Main Office, Bob specializes in the St. Albert and surrounding area. Take advantage of Bob's expertise by calling:

BOB Bus: 452-2110  
Or Res: 459-3494

## Register Now for BASEBALL

The St. Albert Karting Association once again offers a program for BOYS and GIRLS who wish to play baseball. They must provide their own footwear and equipment. The Association provides uniforms, bases, baseballs, bats, umpires and coaches. Players keep their caps. Photos will also be provided to each player.

Last date for late registrants

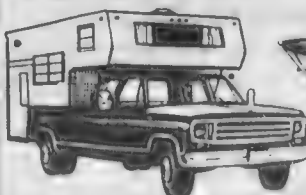

March 17

order necessary equipment for the upcoming season to avoid disappointment

Registration forms are available at all schools, The Community Services office, The St. Albert Sports Shop and RMC Sports.

### SHUCKS

Gazette sports editor Marty O'Kell looks rather intent on getting that oyster open at the recent Media contest at the Edmonton Sportsmen's show. Marty placed fourth in the Friday night preliminary, not good enough though to go on to the finals. Behind Marty is Edmonton Journal photographer Jim Cochrane, who won the preliminary and the whole contest.

## Nu-West Canadians open league playoffs with a tie

Sunday the Nu-West Canadians finally got started on their regular season league playoffs when they travelled to Fort Saskatchewan to meet the Ft. Saskatchewan A & W Nickel Kings in the first of a two-game total goal series.

The game proved to be an exciting, well played and hard hitting affair. Both teams showed some real

good and fast hockey. The Ft. Saskatchewan Club have shown some very good improvement over the season and are now considered one of the better teams in the league.

The 5-5 final score was an indication of how close the two teams are. Total shots on goal were St. Albert 46 and Ft. Saskatchewan 44. Ft.

Saskatchewan went ahead with two goals early in the game. St. Albert evened the score with goals by Dean Bosch assisted by Emanuel Viveiros and Casey Wheatley and by a goal by Viveiros assisted by Stephen Gosse. The first period ended in a 2-2 tie.

In the second period the Nickel Kings scored three goals against the Canadians. St. Albert's lone goal, scored by Viveiros and assisted by Wheatley, left the Canadians with a 5-3 deficit starting the third period.

The Canadians scored two unanswered goals to end the game 5-5. Todd Carnelley got the first of the period assisted by Ole Graversen and Viveiros, with Dean Bosch getting the equalizer. He was also assisted by Graversen and Viveiros.

The final game will be played in St. Albert when ice time becomes available.

## Hercules soccer set-up differently

There will be some changes in team set-ups in certain areas within the Hercules Sports Association Soccer program this year.

At a meeting with the Edmonton Minor Soccer Association last week, it was resolved that there will be a bantam double A team from St. Albert competing in a new Bantam AA league. The league will consist of four teams from Edmonton, one from Sherwood Park and one from St. Albert. EMSA has also accepted a midget B team, and a juvenile girls team from St. Albert to play within their league. As well, a juvenile boys team will be formed to compete in EMSA.

Some bad news concerns the desire for Hercules to set-up a house league for a combination midget-juvenile program. There was not sufficient interest from boys in that age group, to form a league, so that idea has been scrapped.

All other teams in the Hercules Sports Association will be playing in the jurisdiction of the Alberta Soccer Association. The representative teams in age groups will play in the house leagues, and will compete in the provincial playoffs in the fall against teams from other

towns. The bantam double A team is the only exception. Representative teams in the house league will receive some kind of a point handicap to offset their superior calibre of players.

# Junior - Senior High School Bonspiel

The annual Jr. - Sr. High School Bonspiel was held Saturday, March 10 with the Brian Folk rink winning the "A" event sponsored by Safeway. Curling with Brian was Daneka Peuch and Lynn Hengen. Wade Hengen swept for the final two games as Brian was short a curler. Second in "A" went to the Brad James team of Gordon Frazer, Daryl Carlson and Mike Hauptman. Third in "A" was the John Bewell

team of Leigh Ann Kamminga, Kevin Maciocha and Sandra Klein. Fourth in "A" was the Kereen Martin rink of Dave Scharf, Terena Thronsdon and Ross Hodgins.

The Macleod's "B" event final saw the Janice Kolomyjec rink defeat the Steve Ganton foursome. Curling with Janice was Curtis Hart, Mike Symyrozum and Wade Carroll. Steve's team was composed of Warren John-

son, Val Yuschyshyn and Cathy Lund.

The Shelemey Insurance and Consulting Limited "C" event final was a close fought match between the Dale Thronsdon foursome and the Brad Smith team. The Thronsdon team of Shelley Findlater, Terry Parkin and Daphne Newell was victorious. Curling with Brad was Donna Garrick, Kathy Martin and Dean Grimm.

**A EVENT WINNERS**

This crew won the A event at the Junior-Senior High School Bonspiel held over the weekend. From left to right: Danek Puech, Wade Hengen, Lynn Hengen, Brian Folk (skip) and Mike Stout of Safeway, who sponsored the event.

## Mite A's spend weekend in Slave Lake

The Mite A St. Albert Lacombe Park Roosters travelled to Slave Lake on Saturday to play the Slave Lake Mite A's. On that day the Roosters presented their hosts with City of St. Albert buttons, while Slave Lake presented the St. Albert boys with trophies.

The boys played their first game after that, with St. Albert displaying good team work and some excellent passing. St. Albert scored four goals, two from A. Findley and two from R. Webb in the first period.

In the second, Slave Lake scored the only goal of the period, making it a 4-1 game.

G. Rusnak scored early in the third frame to give St. Albert a 5-1 lead, but Slave Lake exploded for three goals to come within one of the Roosters. S. Sorly added an insurance marker for St. Albert, and the Roosters won the game 6-4. The Roosters were assisted by three players from the Grandin Esso Rebels, B. Jones and Roger and Robert Bourbonnais. The three newcomers played well and fit in with the team like they belonged.

On Sunday, the local boys presented medallions to the Slave Lake team, then went on to post a 12-2 victory. Once again, the Roosters played great hockey, featuring excellent passing and good team work.

J. Birdsell and S. Sorly connected for three goals each, while singles went to G. Rusnak, G. Sopiwynek, D. Rouault, Roger Bourbonnais, J. P. Pottins and B. Jones.

It was a good weekend of hockey, and all players and coaches will remember the weekend for a long time to come.

**B EVENT WINNERS**

The B event, sponsored by Macleod's, was won by the Janice Kolomyjec rink. From left to right: Janice Kolomyjec, Curtis Hart, Mike Symyrozum and Wade Carroll. Macleod's new manager, Doug Robson, presented the trophies.

**C EVENT WINNERS**

The Shelemey Insurance and Consulting Limited C event was won by the Dale Thronsdon foursome. From left to right: Daphne Newell, Terry Parkin, Shelly Findlater, Dale Thronsdon and Paul Shelemey. Photo-Richard Mowry

### RETURN PERFORMANCE

Pictured above are members of last year's provincial Mosquito finalists, the Webb Hardware Expos. While many of last year's team will be moving up to the Beaver division, a strong nucleus of boys will remain as 'Mosquitos'. Returning this year will be David Ross, Curt Goeson, Matt Pesklewis and Kevin Welsh. These, plus many other boys of 'Mosquito' age have already started spring training in their effort to repeat as zone champions and become provincial champions.

## Hey Everyone!

Did you know there is a coffee house in St. Albert?

Where - Grandin Clubhouse

When - Every Saturday night at 8:00 p.m.

Why not come on down this Saturday to the  
**SOLID ROCK COFFEE HOUSE**

We want to be your friend. If you're looking for people who care and will listen; come on out and have a coffee with us.

Once a  
weapon,  
now a sport

Over 8,000 years ago it was a tool prehistoric man relied upon for survival.

It also has a place in history as a deadly weapon that helped establish many ancient empires.

Today, it is a popular sport.

Archery is the sport of shooting with a bow and arrow. It is estimated that 4,000,000 North Americans participate in recreational and competitive archery events annually.

During the Alberta Summer Games being held in St. Albert from August 2 - 6, 1979, approximately 130 athletes will compete in this popular event.

Teams representing the eight zones around the province will consist of five women and nine men. The women will compete in two categories: 17 and under, and 18 and over. The men are divided into three groups: Cadets (13 and 14), Juniors (15 - 17), and Seniors (18 and over). A coach and a

manager will accompany each team.

The volunteer sports chairperson for archery is Sorrel Bowman. Mrs. Bowman is the current Canadian Women's Champion in both indoor and outdoor events. She, along with other volunteers in the zones and in St. Albert, will be busy in the weeks ahead.

Events and scoring systems must be finalized and zone playoffs will be held. The games competition itself will be run over two days, Friday, August 3 and Saturday, August 4.

The target events will be held at the Seven Hills range, and the Glory Hills range will be the site of the field events.

This is not the first appearance for archery as a sport in the Summer Games. It was well received in the past and the St. Albert organizers are hoping to be able to accommodate between 300 and 400 spectators.

## Hockey Coach Required

The Sturgeon Jets are accepting applications (from the Sturgeon area) for the coaching position (1979-80 season).

Please send your application to Box 345, Morinville.

Application will be received until March 21, 1979.

# Legal nips Namao

The Namao Sailcats were in Legal on Friday night, battling with the Canadiens in the Sturgeon Valley Senior Hockey League double round robin playoff series.

The Canadiens hung on to clip the Sailcats 7-5. The next action for Legal following this game was last night, when Redwater was in Legal, but the results weren't available at press time. Legal will play Namao in Gibbons on Friday night.

The Legal Canadiens took an early lead in the game on first period goals by Rick Provencal, Peter Provencal and Real Huot, with the score at the end of the first set at 3-0.

The second period saw Legal score three goals, with Namao also getting three, giving Legal a 6-3 lead. Legal's goals came from Peter Provencal with two, while Rick Provencal notched one. Namao received markers from Adolf Yeske, Bob Crozier and Kevin Georgy. Kevin's goal came with only one second left on the clock, while Peter's came 18 seconds before the last Namao goal.

Namao came out hungry in the third period as a result of Georgy's goal, and fired another marker in to cut the lead down to 6-4. Namao received a double minor penalty shortly after, giving Legal a one man advantage for four minutes. Thirty seconds later, Ozipko of Namao was assessed a minor, giving Legal a two man advantage. Bob Samis of Namao received a game misconduct at this point, furthering Namao's problems. Several other penalties were handed out to both teams in the third period, both minors and majors.

Namao did manage to score with 8:59 remaining in the final frame, closing the score to a close 6-5 count, with Bill Morris ripping the twine. Leo Provencal added an insurance marker with just over a minute left.

Namao showed some dis-

respect towards the officials and the arena staff at the end of the game, and it is hoped

that this type of scene doesn't happen again in the remaining games.

## Comeau repeats mixed bonspiel win

Roger Comeau of Riviere Qui Barre won the third consecutive Morinville Mixed Bonspiel last weekend when he defeated Jim Ver-vynck of Morinville 8-6 in the final. Roger's team members included Karen and Harlan Schultz and wife Mona. His last two wins were in the Valentine Mixed Spiel and last year's March Mixed Spiel.

The second event went to Jerry Kaup of Morinville who along with his wife Carol, and parents John and Eileen Kaup, defeated the Melton Fawcett rink of St. Albert.

Capturing the third event was Ryan Meyer of Morinville and his team of Jacki Anderson, Wayne Hittinger and Gwen Buchanan. Their rink eliminated Ralph Gaetz of Morinville in the final.

Third and fourth place finishers in the 48 team bonspiel were Jerry Yacy-shen and Brian McIlmoyle, both of Morinville, in the first event, Roger Marsden of St. Albert and Allan Shaw of Edmonton in the second event, and Bob Savage of St. Albert and Ray Charest of Morinville in the third event.

## Calahoo holding Bantam and Midget tournaments this weekend

The Calahoo Sports Association will be holding their annual bantam hockey tournament this weekend in the Calahoo Coliseum with eight rural and city teams taking part.

The modified double knockout tournament will start at 8 a.m. Saturday morning with St. Albert Windsor Plywood taking on Stony Plain, while the 9:30 draw sees Enoch playing Elmwood of Edmonton.

St. Albert Broncos and Westlock meet at 11 a.m. while the last game of the opening round goes at 12:30 with Legal and hometown Calahoo squaring off.

The winners of the first two games will play at 3:30 Saturday afternoon while the two losers tangle at 2 p.m.

The final game on Saturday will see the two losers of the last two first round games playing at 5 p.m.

while the two winners will play their second game Sunday morning at 8 a.m.

The finals of the "A" event will go at 6 p.m. Sunday with the "B" event final at 10 a.m.

Trophies will be given to the A and B teams while the most valuable player of the tournament will also receive a trophy, as will the two most valuable players of the final games.

The concession will be open early Saturday and Sunday mornings.

The Calahoo midgets are also holding a four-team tourney with Riviere Qui Barre vs Calmar at 4 p.m. Saturday and Calahoo vs the Paul Band at 6 p.m.

The B side will be played at noon Sunday and the A side will be played at 4 p.m. Sunday. The winner of each side will play off at 8 p.m. Sunday evening.

## DECISIONS, DECISIONS

A little glove biting doesn't hurt when you have to call the next rock and it saves wear and tear on those precious fingernails. Kereen Martin was at the helm during Paul Kane's Mixed Bonspiel at the St. Albert Curling Club Saturday.

Photo by Al Popil

## Legal Ladies Baseball

Ladies in Legal wishing to play baseball this summer are reminded that there will be tune-up sessions in the Legal Gymnasium beginning Friday, March 16.

# Morinville's battle of the century

On Friday, March 16, a hockey game will be held in the Morinville arena which is destined to make the recent Challenge Cup series seem like a Domino Tournament in grade school.

With game time at 8:30, the powerful CHED Slamdunkers will do battle with the "high flying" Morinville Goodtimers.

The Goodtimers have had an exceptional year and at one time before Christmas, had a two-game winning streak going for them.

The negotiations for the game took several weeks to complete, mainly because the Slamdunkers chief negotiator Barry Wahl would not give in on two key points: 1) that the Slamdunkers number one goalie, Gump the Gump Keen, better known as Eddie Keen, be forced to wear a helmet to cut down the glare from his head (scouting reports have it that the glare has caused a lot of missed goals, as it blinds opposition forwards), 2) that the Slamdunkers key forward Dave Cutler would not be allowed to kick goals from centre ice and get three points per goal.

Upon hearing that these two items had been cleared up, Goodtimers coach George St. Lawrence immediately called a practice for Saturday night. The arena was already booked so he moved the practice to the Frontiersman Hotel, where it is reported that the Goodtimers played some of the best hockey of their careers.

Although neither team has announced their starting line-ups, people in the know have indicated that St. Lawrence will go with his number one goalie Ken (the Sieve) Lissack, who is having a tremendous year with a goals against average of only 11.49. Lissack is having one of the best years in his career - in the last four games he has given up only 52 goals.

The Slamdunkers will also have to contend with the high flying defenceman Moe Touchette, who this season broke his former personal record by scoring two goals.

Although most of the Goodtimers have never played with this much prestige on the line, it is figured that the two old men of hockey, Fred Hesse and Roger (Backcheck) Tourangeau will, without a doubt, have a stabilizing effect on the team, as both of these players make Gordie Howe look like a youngster.

Along with Keen and Cutler, several other famous players such as Barry and Dave Wahl, Don Kay, Bill Warwick and other superstars too numerous to mention, will be donning the

blades for the Slamdunkers. All proceeds of the game go to Minor Hockey and it is hoped that all people in the area will make an effort to attend.

The admission is one dollar per person, with children under eight getting free admission. Come out and see hockey as it should be played???

## Redwater Outlaws advance to finals

After downing last years champions, the Gibbons Marlowes, Redwater once more advanced their way into the finals by winning against Namao on Sunday, March 11 in Redwater.

In the first period, Redwater started out with two goals that came off the stick of their leading scorer, Tom Sokoloski. Redwater went into the second period trailing the Namao Sailcats 4-2. Ken Hrywkiw then stole the puck off a Sailcat defenceman and broke in alone to score and get the Outlaws back in the game. Shortly after Len Danyluk tied the game scoring on a scramble in front of the net.

This set the stage for an exciting third period with the score tied 4-4. Ken Hrywkiw and Len Danyluk then popped in their second goals of the game to put Redwater in front by a score of 6-4, much to the delight of the Outlaw fans.

In the dying minutes of the game, the Sailcats pulled their goalie in favor of an extra attacker. Their strategy backfired with Daryl Roloff scoring into an empty Namao net.

With the game out of reach, John Wilson scored for the Outlaws in the last minute of play to make the final outcome Redwater Outlaws 8, Namao Sailcats 4.

The game was a very physical and penalty-filled contest. The Redwater Outlaws now advance into the finals against the Legal Canadians to determine the league champions. Keep your heads up Legal - The Outlaws will be gunning for you.

The Redwater Outlaws

would also like to thank all their fans for their support

especially throughout the "COLD" winter months.

## Carma's defeat Morinville 7 - 4

Sunday saw Carma's St. Albert bantams in a rough, hard-hitting exhibition game at Morinville. St. Albert's Mike Tessier will miss league playoffs with Sherwood Park this week because of a possible fractured elbow suffered in the game. The strong centerman really will be missed.

Each team scored twice in the first period. St. Albert's first goal came within the first two minutes when John Findlay scored from a beautiful three on one passing play with Tessier and Mike Wells. Their other goal was from a good point shot by Robert Walsh, unassisted. Carma's had several other good scoring chances in the first but were foiled by the goal posts and Morinville's goalie.

St. Albert came up with two quick goals in the second - one scored by Erin Oor on a pretty passing play from Tony Rouault and John Lenz

and the other popped in by John Holden as he picked his way from end to end and finished the play with a clean deke. Minutes later it was Don Neil's turn for another nice unassisted goal and then Holden did it again midway through the period. Lenz finished the scoring for St. Albert as he put the puck in the net on a nice bit of work in front of Morinville's net with Rouault and Oor. Morinville counted once in period two and again in period three. Both teams did a lot of penalty time in the third as play became quite rough.

Carma's travel to Sherwood Park Tuesday night for the first round of league playoffs. Carma's finished league play in second place behind Spruce Grove. Sherwood Park finished third and Barrhead fourth. Westlock and Morinville finished out of playoff contention.

## USC supports vocational training

The USC of Canada has granted \$19,763 to build a block of five classrooms and supply 50 sewing machines to the Masianokeng Vocational Secondary School, in

Lesotho, Southern Africa. The object is to make this school a regular vocational training centre. USC headquarters is located at 56 Sparks Street, Ottawa.

**MITA A SEMI-FINAL RESULTS**  
The Mite "A" Semi-Finals were played at Perron Street Arena Saturday and Sunday, March 10 and 11.  
The series between Cox's Plumbing & Heating Pipers and Granadon Builders Vikings concluded with the Pipers emerging with a sudden death overtime goal. The first game ended 6-5 in favour of the Vikings but the Pipers came back to take the second 6-5 thus forcing the overtime.  
The series between St. Albert Tire UniRoyals and the Bay was not such a close affair, the Bay taking both games 6-4 and 3-1. The Bay, playing their best two games of the season, overcame a 3-0 deficit in the first game for the win.  
All four games were very exciting and enjoyed by a considerable number of spectators.

SCHEDULE FOR FINAL SERIES MITA "A"
1st Game - March 17 - Perron Arena 5:15 p.m. to 6:30 p.m. (Pipers Home Team)

## Salty death

Fish that are washed into the Dead Sea's supersaline waters die almost instantly, says National Geographic. Only micro-organisms survive in the salty waters.

## Barrier of reefs

Australia's Great Barrier Reef is not a continuous single reef, but a myriad collection of barrier reefs, coral cays and rock islands all interlaced with lagoons and fringing reefs that stretches some 1,250 miles off the coast of Queensland, reports the National Geographic Society's book, "The Ocean Realm."

# Italian archaeology exhibit at museum

Through the collaboration of the University of Alberta, its Alumni Association and the Provincial Museum of Alberta, two exhibitions of Italian archaeology are on display at the museum until July 2.

The exhibitions are devoted to an examination of the rural peoples of southern Italy during pre-Roman and

Roman times.

Ancient Crossroads presents to the Canadian public artifacts excavated from the territory of the ancient Greek city of Metapontion on the southern coast of the Italian peninsula. This city was founded as a colony by Greek settlers in the 7th century B.C. The main focus of this exhibit is on the Greek

peasant population: the small farmers who lived and worked in the territory surrounding the city of Metapontion. The rural economic base of these farmers and their cultural and religious activities are vividly displayed in the wide range of artifacts that compose the exhibition. These are objects of pottery and jewellery

which the ancient farmers and city dwellers used during their daily lives.

Villa Rustica continues the rural theme by illustrating the changes that took place in the countryside of southern Italy after the Roman conquests of the 3rd century B.C. These changes, detailed in the work of Canadian archaeologists, and particu-

larly of a team from the University of Alberta, at Monte Irsi and San Giovanni di Ruoti in the mountainous region of Basilicata, were immense and affected both city and countryside.

The exhibition illustrates the techniques of modern archaeological research as applied at the two villas, or farms, at Monte Irsi and San

Giovanni di Ruoti, and gives some indication of the importance of the results that have been gained so far. Visitors to the exhibition will discover how even minute pieces of evidence may be examined in the process of learning about the life and economic activities of our ancestors.

# Fewer fortunes found in 'Chinese' cookies

By William J. O'Neill  
National Geographic News  
Some cookies make better reading than eating. Fortune cookies can be munched and swallowed, of course, and some people enjoy their bland flavor.

But the unknown genius who first introduced the paper-stuffed treats at a California restaurant around 1920 was more concerned with literary than culinary taste, judging from the fortune cookie recipe given in the February issue of National Geographic World.

The magazine's recipe calls for just the basics -- butter, flour, egg whites, and

sugar, with a little salt, vanilla extract, and tea for seasoning.

## WORDS MAIN INGREDIENT

The principal ingredient has always been the slip of paper that is deftly folded into the freshly baked cookie before it cools.

Though fortune cookies evidently were an American invention, they are now served in Chinese restaurants around the globe. World points out that the "Chinese" cookie has even made its appearance in China.

The magazine doesn't say

whether in China the cookies ever contained one-liners from Chairman Mao's little red book.

In the United States, however, devotees of Chinese cuisine report an apparent shift in the cookies' texts, with homilies replacing fortunes.

Where the cookie that comes with the check at the end of the meal once offered intriguing promises that "You will live in splendor," or face "Pleasant times in interesting surroundings," some cookies now read like the Farmer's Almanac.

"Make every minute count" sounds more like

Poor Richard than the I Ching. "Everything happens for the best" is straight from Bartlett's while "Silence often masks wisdom" may have been taken from an old Charlie Chan script.

## COLLECTORS' ITEMS

Fortune-cookie addicts often have favorites, culled from countless Chinese diners on various continents, that they have treasured for years.

"You like to have your own way, and are, on occasion," owes more to Confucius than Confucius, as do "Tonight is yours, be hold" and "The

time to make friends is when you need."

On the other hand, a wordy admonition that "A man is measured by the number of tasks finished, not the number of jobs started," does nothing to lighten an eight-course meal.

While people may prefer evocative messages such as "You will meet a forgotten friend," or "Your prospects are turning brighter," they may have to settle for more aphorisms like "Time heals all wounds" and "Old age makes us more wise and more foolish."

As the head of one baking company that churns out

fortune cookies to be boxed and sold in supermarkets and restaurants explained: "You just can't write that many fortunes."

## Shawls for refugees

The Montreal Branch of the Unitarian Service Committee of Canada has a drive on for knitted dark coloured shawls for elderly women refugees in Cyprus. Distribution of the shawls will be in the hands of the Cypriot Red Cross. USC headquarters is located at 56 Sparks Street, Ottawa.

### TO BE BUILT IN UPPER MANOR ESTATES

This contemporary 2 storey will be custom built on this high one acre site in Upper Manor. See the scale model in the Buxton Office. Call Glenn Way or Fran Rothermel 459-4461, 458-5215 or 459-3016.

### DON'T CRAMP YOUR STYLE

Consider this new home in Viscount Estates - Just a few miles from St. Albert. Over 2000 sq. ft. of spacious family living. A 2 storey beauty with a great view of countryside. Upgraded features throughout. Asking \$136,900. Call Glenn Way 459-4461 or 458-5215 or call Fran Rothermel 459-4461 or 459-3016.

### CLOSE BUT NOT QUITE!

This beautiful home is just about complete but needs to be finished. The contractor/vendor wishes to sell it at this stage. For a list of exactly what has been completed, please call Glenn Way 459-4461 or 458-5215 or Fran Rothermel 459-4461 or 459-3016.

### WHY NOT SPREAD OUT?

One mile from Sherwood Park, this beautiful 5.63 acres in controlled subdivision of quality built homes may be just what you're looking for. Good building site. Rolling topography, nicely treed. Call Glenn Way 459-4461 or 458-5215 or Fran Rothermel 459-4461 or 459-3016.

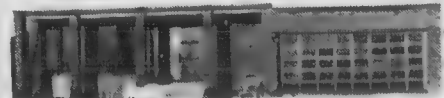

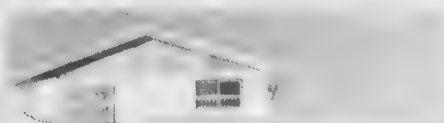

### A LITTLE LUCK

And a quick telephone call will help you acquire this 3 bedroom home. Do not miss this chance - move in with a low initial investment. Asking \$84,300. Call Randy Mayoh at 459-4461 or 458-9525.

### UP YOUR LIFE STYLE

You deserve better by buying this custom built bungalow, featuring 1950 sq. ft. of living elegance with two full baths, sunken family room and sunken living room. \$120,900. Call Randy Mayoh at 459-4461 or 458-9525.

### NEED MORE ROOM?

If you need more room then check this out, 2300 sq. ft. of living area. Two wood-burning fireplaces, 2 1/2 baths, double garage, sunken living and family room, intercom, central vacuum and more. Call Randy Mayoh at 459-4461 or 458-9525.
